The Canyon News

Fifty-first Year

Canyon, Texas, Thursday, March 14, 1946

Number 2

Four Names on City Ballots

J. H. Lisle Adds Name As Candidate for City Commissioner For April

Four candidates for members of the City Commission have filed for places on the official ballot for the annual election on April 2.

Mayor W. A. Warren and Dr. S. H. Condon are candidates for reelection. G. A. Farlow announced last week that he would be a candidate for the third place on the ticket. J. H. Lisle has filed as a candidate for a member of the commission.

Mr. Lisle served for a number of years on the school board, and resigned when Mrs. Lisle was elected to have charge of the lunch room.

March 21 is the final date on which candidates may file for a place on the official ballot.

Farm Bureau to Hold Meeting in Canyon March 19

A series of farmers meetings will be held in the various communities of Randall county beginning Monday evening at Umbarger.

These meetings are the annual community meeting of the Randall County Farm Bureau Association and for the purpose of electing officers for the year and a discussion of the Farm Bureau program.

Each of these meetings will be in charge of the local chairman. Some of the communities are planning for a social hour after the regular program.

The complete schedule of meeting dates is as follows: Monday, March 18, Umbarger; Tuesday, March 19, Canyon; Wednesday, March 20, Trigg; Thursday, March 21, Fairview and Sunny Hill at Fairview; Friday, March 22, Highland; Monday, March 25, Jewell; Tuesday, March 26, Park and Stone at Park and Wednesday, March 27 at Ralph. All meetings to begin at 7:30 p. m.

New Sidewalks to North Entrance of Court House

A new sidewalk is being run to the north entrance of the court house, which will soon be opened. The old sidewalk was too low, and water stood on the walk, following each rain.

No definite date has been set for moving the office of the County Agent to the third floor of the court house. During the illness of W. H. Upchurch the rooms have been prepared for moving when he is able to return to his duties.

Caliche on Two Roads in North Part of County

County Commissioner Calvin Casey stated Monday that he had started putting caliche on two pieces of road in Precinct No. 4.

He is covering five blocks of 41st Street, Washington to Harrison, in South Amarillo. The biggest job is putting caliche on 5 1/2 miles from Palisade Park to Washington Street.

The State Highway Commission has given no answer to the petition of Mr. Casey and Commissioner Clarence Beckman to pave roads in their precincts. Mr. Beckman was in Austin again the past week, and found that the Commission was considering these projects favorably.

Phillips Attends Fort Worth Meet

Heads of the departments of agriculture of Texas teachers colleges met at the Westbrook Hotel, Fort Worth Monday morning beginning at 10 o'clock.

Professor Frank R. Phillips of West Texas State College, chairman of this group, called the meeting in cooperation with J. B. Rutland of the State Department of Education. Representatives were present from Nacogdoches, Commerce, Huntsville, San Marcos, Alpine, and Canyon.

Frank Steen, who has been overseas in the Pacific, has returned to his work in Washington, D. C., in the Library of State, after having spent several days of his terminal leave with his parents on 5th Avenue and visiting in the library at W. T. where he worked for several years.

Mr. and Mrs. Ancil Shewbert of Dalhart spent Saturday visiting relatives in Canyon. Mr. Shewbert has his discharge from the Army after having spent 15 months in the Aleutian Islands.

County Agent W. H. Upchurch has been able to be at his office part of the time this week. He has been sick for three weeks.

Thomas H. Lair Candidate Clerk

THOMAS H. LAIR

The News has been authorized to announce the candidacy of Thomas H. Lair as a candidate for the office of County and District Clerk of Randall County. His announcement follows:

"I should like to present my name as a candidate for the office of County and District Clerk of Randall County, Canyon, Texas, subject to the Democratic primary in July.

"I am twenty-eight years old, a native of Randall County, and a son of Thomas G. Lair, who came to Canyon in 1892 as a small child with his father's family. My grandfather took an active part in the educational, religious, and political development of Canyon and Randall County in the early days of its history.

"My schooling was received at the Canyon High School, the Demonstration High School, where I was graduated, and at the West Texas State College. I was in my second year of college work when I entered the Army Air Forces Training.

"I have recently received an honorable discharge, after serving for a period of 4 years; two of these years were overseas. I served as a pilot in the Eighth Air Force, being shot down over Germany, where I was a Prisoner of War for 18 1/2 months.

"It is my intention to contact all of the voters of the county during the campaign. If I should fail to see you, will you please let this announcement be a personal request for support in the primary?

"I believe that I am qualified to fulfill the duties of the office and if elected, I shall serve to the best of my ability," stated Mr. Lair.

Miss Patterson Tells Work of Demonstration Agent

Miss Lou Ella Patterson spoke Tuesday at the luncheon of the Rotary Club. She discussed the work of the Home Demonstration agent, especially in Randall county. While the work is with the women and girls, Miss Patterson expressed her appreciation of talking to men as they should understand the work of her department.

Agents carry on an educational program; give demonstrations; train leaders who will conduct work in their clubs; get information to clubs; encourage balanced diets; promote better health.

Agents are to find the products which do their best in their counties, and encourage the use of these products. Asparagus and rhubarb are found to be the best for Randall county. There is one asparagus bed which has been producing for 22 years.

This section has the greatest income for food in the nation. There has been a national increased consumption of 11% during the war, because more money was earned. There has been a great increase in the consumption of meat, fruit and vegetables.

There are 160 members of the nine Home Demonstration Clubs in Randall county. Seven 4-H Clubs have been organized among the girls.

The Department of Agriculture has warned that home gardens must be continued and increased in order to meet the food requirements of the nation.

Visitors were: Mrs. S. D. Burton, county librarian; Paul Beck of San Antonio; C. R. Orr of Atlanta, Ga.; Rev. W. E. Hamilton of Lubbock; Troy Moore of Hereford; Roy Boger, Ed Ray, Forrest Barnes, John E. Hill, C. M. McMurtry, Arch Hunsley, Irving Tolzien, all of Amarillo.

Mr. and Mrs. Curren of Kansas City visited the past week at the home of her brother, Glen McGahey. They left Tuesday, accompanied by Glen, to visit another brother at Corpus Christi.

J. A. Young, new manager of the Canyon Steam Laundry, has moved his family here from Amarillo and lives at 1902 8th Ave.

Mr. and Mrs. K. A. Britt have returned from a visit with relatives at Channing and Amarillo.

Red Cross Fund Coming Slowly

Citizens Asked to Make Donations, and Wind Up the 1946 Campaign Drive

While many citizens have made their contributions to the Red Cross during the past week, the drive is not going as rapidly as it should.

According to reports over the Panhandle, many counties met their quotas in one day. In other counties contributions have passed the half way mark.

County Chairman T. V. Reeves is anxious for all citizens to make their contributions as quickly as possible in order to wind up the drive.

The quota is \$3,610 for Randall County.

Happy Birthday

March 15th—

Martha Carlee Wirt
Bobby Lee Graham
Albert Lang
Mrs. E. H. Hayes
James E. Park
Tom Brown
Mrs. Robert Perkins
Mrs. M. Lucille Davault
Mrs. E. A. Stocker
Nancy Lois Adcock

March 16th—

W. J. Hinkle

Delbert Wesley
Doyle Gene Shipman

Army Recruiting Is Started at the Court House

Sgt. Q. D. Freeman is in charge of the United States Army Recruiting Office in the County Commissioners office on the second floor of the courthouse.

All ex-service men and men who are interested in volunteering from 1 to 3 years and are between the ages of 17 and 34 years should call at the office for information concerning attractive offers the Army now makes.

This office will be open for the remainder of March.

Glenn Dorris Promoted to Cpl.

Cpl. Glenn Dorris, son of Mr. and Mrs. J. K. Dorris, was promoted to that rank recently. He is stationed at Camp Lee, Va. His wife and baby are making their home there with him.

Mrs. Clyde W. Warwick returned Sunday night from Florence, Alabama, where she was called last week by the death of her mother, Mrs. J. E. Winkelman. Mr. and Mrs. Ben Winkelman of Amarillo accompanied Mrs. Warwick.

Mr. and Mrs. Ed Sprows and daughter, Nancy, of Tulsa and Mr. and Mrs. Clarence Adcock and daughter, Nancy Lois, were Sunday dinner guests in the home of Mrs. W. R. Adcock and Mrs. Ruth Hill.

Mrs. T. M. Moore has returned from St. Louis, where she accompanied Dr. Moore as he started his new job with the Veterans Administration. She is preparing to move to their new home in St. Louis.

Mrs. Guy B. Tabor spent the week end in San Angelo, Texas, visiting with Mr. Tabor, who is assigned as instructor at Goodfellow Field temporarily.

Funeral Service Held Tuesday for Sanford Black

Sanford Black, 49 years old, a native of Canyon, died at 6:30 o'clock Saturday morning at his home on Second Avenue.

Born in Canyon, January 6, 1897, Mr. Black received his education in the schools here. For the last 2 years he has been employed as a mechanic in the Ford Garage. He was a member of the Presbyterian Church. He served in World War I and was a member of the American Legion.

Funeral services were conducted Tuesday afternoon at 3:00 o'clock in the Presbyterian Church with Rev. Robert Jones officiating, assisted by Rev. Joseph Findley. Services were held that date pending the arrival of his two sons, Sanford, Jr., who is attending school in Davenport, Iowa, and George, U. S. N. who was just arriving in the United States.

Survivors, besides the two sons are a daughter, Evelyn; 3 brothers, Jim, Joe, and W. C.; 2 sisters, Mrs. Clyde Freeman of White Deer and Miss Pearl of Canyon.

Palbearers were A. B. Holt, Paul Lindsey, Bill Crow, Ross Craig, Ed Mickle and Chas. Harter.

Interment was in Dreamland Cemetery beside his wife.

Funeral arrangements were under the direction of Griggs-Warren Funeral Home.

County School Board Election Is Not Called

No plans have been made for holding the election for members of the County School Board. Under the law there is one member from each of the Commissioners Precincts, and one member at large, who is chairman of the board.

Present members of the board are: G. G. Foster, chairman, member at large; Harvey Cash, Precinct No. 1; Chas. Beckman, No. 2; A. E. Wise, No. 3; C. C. Stewart, No. 4.

The election of school trustees comes on April 6. Term of office of all members expire this year, and unless elections are held the members will continue to hold office.

MARRIAGE LICENSE

William A. Gruen to Mrs. Georgia Lois Wofford, March 7.

Donald Leo Horton to Betty Sue Kemper, March 7.

John V. Miller to Mrs. Lillian Hanks, March 9.

LeRoy W. Reeves to Charlene Baird, March 11.

Jack Neal Cooper visited in the home of his sister, Mrs. T. E. Allen in Midland last week and returned to Canyon with his sister's family Saturday night.

Rotary Speaker Talked on World Leadership of America in Future

The Canyon Rotary Club's Institute of International Understanding closed Monday with an address by Chester M. Tobin of Chicago, economist, who stressed the need for a sound and daring world leadership by the United States.

West Texas State cooperated with the Rotary Club in bringing four outstanding speakers. The lectures were arranged as Rotary's contribution to an understanding of international affairs in this community, according to Dr. S. H. Condon, president.

Mr. Tobin said, in part: "Our interest in world trade is due to the fact that we are the greatest trading nation, buying and selling throughout the world. Our technological development has long resulted in the ability to produce large domestic surpluses in many agricultural crops such as cotton, wheat and tobacco; in many resources such as oil, iron and coal; in many manufactured products such as automobiles, machinery and chemical compounds.

Everyone is affected

"Every individual and every section of the country is directly affected by our share in world trade, because it constitutes a vital part of our high standard of living. Whether we think of the things we eat and drink, such as bananas, coffee or tea; or the things we wear such as shoes, silk and woolen clothing, or other essential items such as automobiles, electric appliances and steel products; our imports are involved. When we think of employment and production, our exports are involved. Our exports reached an all-time peak for peace time in 1929 with a total value of over five billion dollars. Now we plan and talk of more than doubling that peak by 1950. Should we succeed, this export volume would represent above five million good jobs on the farms and in the factories and a higher standard of living for every one of us. Indeed this ten per cent of our total employment may spell the difference between prosperity and unemployment with all of its concomitant ills.

Fifteen Ask For Superintendent

Friends Will File Names of Three Candidates—Will Cut List Applicants

Fifteen applications have been filed as candidates for the school superintendency of the Canyon schools. The school board will meet Thursday night in regular session, when routine matters will be considered.

Paul Lindsey, chairman of the board, states that the board will likely eliminate all but four or five of the applicants, and will then make a personal investigation of the remaining candidates as to their present schools.

No candidates have filed for places on the ticket in the coming election of trustees. The term of office of Dr. Harris M. Cook, Clay Cooper, and L. D. Winn will expire. All have indicated that they will not be candidates for re-election.

Friends have entered Dr. Lee Johnson, Newton Crain and Harley Burrus as candidates.

Contract Widening Highway Was Up Yesterday

Contract for widening the highway between Canyon and Amarillo was before the monthly meeting of the State Highway Commission in Austin yesterday. No word has been received as to the contract.

The right-of-way problem has been ironed out, or will be completed in time for the contractor to begin work. Whatever differences exist between the county and the property owners will be ironed out so as not to interfere with construction work.

Harris M. Cook Moved to Veteran Hospital Yesterday

Dr. Harris M. Cook was moved to the Veterans Hospital at Amarillo Wednesday. He has been confined to his bed for several weeks following a hemorrhage of the brain.

Mrs. Cook stated that he was slowly improving each day, but it would be several weeks before he could be out. Dr. Cook is a veteran of World War I, and is a member of the West Texas State faculty.

One of Dr. Cook's brothers will probably be here by the end of the week to spend a few days with him.

Miss Norma Lee Lantz with Mr. and Mrs. Jackie Jackson visited in the parental John Lantz home in McLean Sunday.

Buffalo Basketball Team Won First Game Tuesday in K. C. Tourney

Team Schedule For Second Game Wednesday—Stockman Hit Stride in Game

Discharged

Capt. Alwyn Williams is on terminal leave from the Army after having served for 3 1/2 years. He will be relieved from active duty in April with the rank of Major. During his service he spent 15 months in the European Theater. He with his wife and the young son, whom he had not seen until his return, will leave Friday for Palestine to visit his parents. Mrs. Williams has made her home with her parents, Dr. and Mrs. R. P. Jarrett, while her husband was overseas.

S-Sgt. Jackie Jackson has recently received his discharge after spending 3 years in the service. He was in Germany 9 months and in Tokyo 3 months. He plans to enter W. T. His wife the former Mary Lantz is bookkeeper at Farlow Electric.

Cpl. John Carrol Kelley was discharged March 1 after having served for more than 2 years with the Marines. He served for 1 year and 9 months overseas.

Robert L. Black, S. K. 2-c, was discharged at Norman, Oklahoma, March 7 after having spent 1 year, 10 months and 20 days. His overseas service was in the Pacific Theater.

William Howard Perkins, S 1-c was discharged at Norman, Okla., March 6. He served a total of 2 years, 7 months and 11 days. His service stars indicate that he spent 2 years in the Asiatic Pacific and the Philippine Liberation campaigns.

Pvt. Gordon H. Molyneux was discharged at Camp Atterbury, Indiana on February 28. He was in the service approximately 6 months.

Pfc. Eugene Bomar Brown received his discharge at Camp Panhandle, Texas after spending approximately 3 1/2 years in Base Units of the Air Force.

Pfc. Travis Jack Barnard, who served with the Field Artillery in Europe for a year, received his discharge February 28.

James Robert Giles, Jr., R. T. 3-c served in the Asiatic Theater during his 2 years and 8 months in the Navy. He was discharged Feb. 26. 1st Sgt. Jerry E. Merritt, Jr. received his discharge February 25 after having spent 3 years in the Army Air Force.

Olin Lee Christie, S 1-c, was discharged March 3. He served in the Asiatic Pacific during the 1 year and 8 months that he was in the service.

Series Meetings For Farmers Will Be Held in County

The Canyon Community Farm Bureau will meet in the American Legion Tuesday, March 19 at 7:30 p. m.

Election of officers for 1946 will be held.

The program will consist of talks on farm organization by W. H. Upchurch; on farmers and the Chamber of Commerce by Clarence Thompson; and on Blue Cross hospital insurance by Mrs. A. E. Michael.

Games, entertainment, and refreshments of ice cream, cake and coffee will conclude the evening's program.

Former Citizens Celebrate Golden Anniversary

Mr. and Mrs. C. J. Crawford of Caradan, Texas celebrated their golden wedding anniversary Sunday, March 10, with a big barbecue to which a host of friends were invited.

Mr. and Mrs. Crawford lived in Canyon for many years. Their daughter, Miss Winnie Mae, was a teacher in Canyon High School for a number of years. Mrs. Elmer Shotwell, another daughter, and their son Dean are both well remembered too.

Light Snow Fell in Canyon Friday

There was a very light snow in Canyon Friday morning, which brought .05 of an inch of moisture.

The snow was much heavier in the north part of the county. Amarillo experienced almost a blizzard during the morning. The snow drifted on the highway along the Black Lantern to such an extent that the highway department was called upon to use the snow plow in order to clear the highway.

YOUNG ADULT CLASS SOCIAL

The Young Adult Bible Class of the Methodist church will be hostess to their husbands and guests at a covered dish supper in the basement of the church on Thursday evening, March 21.

All members are urged to come and bring a guest.

KING'S DAUGHTERS TO MEET

Members of the King's Daughters Class will meet Friday at the church for the regular quarterly social meeting.

Bill Stockman, West Texas State College forward, who previously had been no better than lukewarm in his shooting since his mid-season return from the Army Air Forces, got white-hot in the second half of Tuesday afternoon's game with Wisconsin State Teachers, and the result was a top-heavy 71-48 victory for the Buffaloes.

With his team trailing by one point at the intermission, 26-27, after a rather sloppy defensive display, Stockman, former C-46 transport pilot, turned on one of the most flamboyant individual scoring spectacles ever seen in the National Intercollegiate (NAIB) basketball tournament at Kansas City Tuesday.

He fired eight field goals in the first seven minutes of the second half and the Buffs breezed in to victory. Stockman had 13 fielders altogether and his 26-point total was far and away the best of the game.

Hank Decker, West Texas's tall center, and J. W. Malone, spectacular All-American guard, abetted Stockman with 11 and 12 points respectively, though Malone actually was cold on offense. He played a great floor game, however. Stockman drilled in more than 80 per cent of his attempts, a sensational average.

The Buffs probably will face the University of Nevada Wednesday night.

Track Team Sent From WT to Fort Worth Stock Show

Nine West Texas State track and field men will enter the Fort Worth Pat Stock Show meet this week, seeking experience for later events in the renewal of the sport here. W. W. Nicklaus is coach of the squad.

The West Texas State squad will include Dwayne Lyons of Olton, Lloyd Johnson of Wheeler, Larry Sanders of Amarillo, Durwood Avery of Springer, N. M., Willard Hedges of Olton, Maurice Steen of Floydada, Burl Pruitt of Panhandle, Joel Robertson, and George Dickey of Skellytown. There are expected to enter the following events:

100-yard dash—Avery, Johnson and Sanders.
220-yard dash—Johnson, Hedges, and Avery.
440-yard dash—Dickey.
440-yard relay—Johnson, Sanders, Avery, and Hedges, with Pruitt as alternate.

High jump—Steen.
Broad jump—Johnson, Steen, and Sanders.
Discus—Lyons and Hedges.
Shot-put—Lyons and Hedges.
Javelin—Lyons and Hedges.
Mile run—Robertson.

The West Texas State squad is potentially strong, but most of the men are inexperienced and several are ex-service men who need more time to reach top condition.

Many Car Owners Have Bought 1946 Plates This Week

Many automobile owners have bought 1946 plates for their cars this week. Yet the number of sales is running behind normal in Randall county.

The office of Collector M. E. Cantrell is short one man this year, because of the car accident in which L. I. Hix was injured. Citizens are therefore urged not to wait until the last week to buy their plates.

All cars used on the highways must be provided with 1946 plates by midnight, April 1.

P. T. A. TO MEET

Rev. Joe Findley will be guest speaker to the Canyon Public School Parent and Teachers Association Thursday. His topic will be "Let's Get Rid of Prejudice." Special music will complete the program.

Following the business meeting there will be a social hour.

Mrs. Louise Crowder from Clovis, N. Mex., visited in the parental W. I. Wester home last week. She talked long distance with her husband, Capt. Ray Crowder, in London Monday night. Capt. Crowder thinks he will be home by June.

Mr. and Mrs. J. E. Barron of Lamesa visited Sunday in the home of Mrs. Jessie Reid.

Editorials

The News has a long letter of defense of Edwin Pauley. We know the writer, and know that the sentiments expressed are the true opinions of the author. Pauley comes from a long line of American patriots who have served the nation well. He served the Democratic party faithfully as national treasurer. Harold Ickes pointed the finger of scorn at Pauley and accuses him of trying to corrupt the Democratic party by getting money from the oil companies in an effort to hush the Ickes campaign to take away the title of California to coastal oil lands. There is a difference of opinion as to who owns this land. The coastal states say that the land belongs to them; Ickes and other bureaucrats claim this land for the federal government. Maybe Pauley is wrong; maybe he used the wrong method in proposing to Ickes that the case be dropped. Maybe he could have gotten the money for the Democratic party without the promise of trying to put a stop to this federal move. We do not profess to know the facts behind the deal. At any rate the question is red hot, and Pauley is the victim, whether he is guilty of his misdeeds, or was simply trying to do his duty to the Democratic party. The only thing we are sure of is that the Democratic bigwigs did not turn down the big gifts from CIO, John Lewis and others who want to help elect the ticket. If the oil men were trying to "buy off" the Democratic party through Pauley, they were using the wrong approach. Pauley may never have suggested such a trade, as Ickes is a very determined man, when he sets out to gain his point, and to punish those whom he considers traitor to the principles of the New Deal. After all, we have such men right here in Texas, who want to punish those who do not agree with them politically. We shall see what we shall see.

CIO and GM continue their battle, extending for more than 113 days. The matter of a cent per hour separates labor and management, so far as wages are concerned. But the insistence of CIO that it virtually run the giant corporation; and the insistence of the company that CIO live up to the contract when it is signed keep the two apart. In the meanwhile the men have lost millions of dollars in wages, while the corporation has lost millions in profits. The innocent victims are 40,000 children of CIO workers who are now subjects of charity and are being fed by a national organization collecting funds for this purpose. Gone are the lush wages of war times; gone are the fancy foods and hot night spots which were fed by CIO workers; despair faces thousands of workers who lived on the fat of the land when fool's paradise continued. CIO deliberately chose GM as its strike victim, the biggest corporation in the automotive group. It planned to whip GM, and then easily whip the minors in the big league. Stockholders of GM advised the officers to stay in and fight it out. The results—40,000 starving children. What fools some mortals be.

The lumbermen, mills, jobbers and retailers, are taking their fight to Washington. They charge that OPA regulations are responsible for the present lumber shortage. They furthermore charge that the army and navy have ruined millions of feet of lumber because of improper handling by inexperienced soldiers and sailors. The President urges Congress to do something about the big housing problem. Without lumber nothing can be done. President Truman placed the housing situation as one of the most critical and urgent problems of the day when he spoke last week. Yet it seems that his bureaucrats in Washington, coupled with a group of uninformed Congressmen, are doing everything they can to block speedy action to solve the housing situation. What a mess! What a mess!

The wave of strikes throughout the nation is having dire results. We were told the other day that one division of a great railroad had laid off thousands of men, simply because there is no heavy freight to haul. If this is true in one division, just how many men are affected throughout the nation? This is impossible to estimate.

Judged as the Outstanding Weekly Newspaper in Texas in 1942.

Placed as an Outstanding Weekly Newspaper in "Editing The Day's News" in 1943.

It would be a fine thing if people would stick to the truth when they rush into public print. For instance, Mrs. Minnie Cunningham charges that former governor W. Lee O'Daniel and Gov. Coke Stevenson took the University of Texas into politics. O'Daniel denies the charge of ever having asked his appointees to the Board of Regents to conform to any policy. Stevenson has refused at all times to take a hand in the squabble. The trouble with Mrs. Cunningham and the group she represents is that they, themselves, have attempted to force the Governor to do their bidding by demanding that he extract promises of the Board of Regents to do the will of a committee, rather than use their judgment. We hope that this policy of domination of education affairs will not be undertaken by Mrs. Cunningham and her group of Rainey-lovers to all educational institutions of Texas. Voters will recall having seen the name of Mrs. Cunningham on the official ballot many times, as a candidate for Governor and U. S. Senator. It is fortunate for the state that she was not elected. Her present position shows what might have been expected had she been elected.

Jerry Sadler, candidate for Governor, indicates that he is going to make an independent race in the July Primary. He blasts the questionnaire which was handed him by the Democratic State Committee, and likewise takes a slap at the proposed query of the Texas Regulars. Good for old Jerry. Committee steps entirely outside of its legal functions in handling this questionnaire to the candidates. It is an insult to the honesty and integrity of the candidates. The News pointed out last week that the various groups and classes in the state have the habit of questioning the candidates. The pressure is really put on the candidates in most cases. We like the fearless attitude of Sadler when he slaps all of these groups and indicates that he will tell all of them to go jump into the lake. Tying the hands of the candidates in advance is a mighty poor way to get an honest and capable government. We hope that more candidates will follow the example of Jerry Sadler, and run independently of the various and conflicting forces which try to put the squeeze on the candidates.

The News has always been strong for Senator Tom Connally. We hope that he will be re-elected this year without opposition. We read with pleasure the tribute paid Senator Connally by Senator Arthur Vandenberg, Republican of Michigan, who has worked hand in hand with Senator Connally in trying to write a permanent peace. Vandenberg says: "I had expected to postpone this statement until the return of the Senate's other representative at London, the distinguished chairman of the Senate Foreign Relations Committee, the Senator from Texas. But events seem to recommend these observations now. The Senator from Texas will be back in the near future. I compliment him in the highest possible terms for his sterling services at London. He filled important and often difficult assignments with wisdom, vigor, tenacity, and success. He was distinctly a credit to his country, and to the great cause which he embraced with typical earnestness and zeal."

When some one gets fired or loses his job, he turns newspaper columnist. Some daily newspapers will buy his output in advance for fear that they will overlook a bet. Ickes is about to turn columnist. As columns go, the racket will probably hit a new low when Harold starts erupting.

Help Keep Canyon Clean!

The political predictors of Washington are having a hard time reading the mind of President Truman. They become miffed at times and make wild statements, which do not come true. There is a rumor out now that the President is going to fire Secretary of State Jimmy Byrnes and replace him with General George C. Marshall. Be it remembered that Roosevelt eased Byrnes out, and on the death of the former President, Byrnes rushed to Washington and sold himself to Truman. Relations have not been too friendly between the two. But there is a shudder about Marshall. It would mean another military man in high office. This country is not militaristic, and does not want to be dominated by the military brass hats. The President is appointing too many military men to key places in the State Department to suit the non-military.

People are sure funny critters. Here comes a student who wants to enter A. & M. College. Denied entrance because of his scholastic standing as a former student in the University of Texas he goes to court trying to compel A. & M. to accept him. And now we have a negro who is trying to enter the University of Texas. Instead of deciding the question themselves, the authorities have referred the matter to the Attorney General. Both of these students would be very, very unhappy if they gained entrance in these schools, against the wishes of the authorities. Both would soon flunk out. Maybe their feelings would be appeased.

Governor Stevenson is planning the reorganization of the National Guard of Texas. He has called in military men to discuss the problem. People of Canyon hope that Company F will be returned to Canyon. When the war started it was predicted that if the National Guard was continued after the war that companies would be located only in the cities of the state. The record of the men of Company F should convince the military leaders that men from small towns make outstanding soldiers.

We feel better about our predictions. An authority on international questions has agreed with the statement often repeated by The News: That the trouble between the United States and Russia is the lack of understanding. And furthermore, this authority agrees with our position that Russia is bluffing and the only way to stop her is to call her bluff. It makes a country newspaper man feel rather chummy to hear a student of international affairs agree with his position on world problems.

Churchill talked the other day, and his speech was publicized in Russia. He was ridiculed to the fullest degree. The Russians hate the British, and do not hide their disgust at British tactics. Russia is the big, strong nation of Europe, and Stalin is going to see to it that Russia maintains her position. There is nothing that England can do about it, without the help of the United States. Britain is the third world power, and Stalin is going to keep her in that position.

President Truman says that Stalin will not bolt the UNO. He thinks that Russia has too much sense to invite another world war. However, the people of Russia have nothing to say about the thinking of the top hands. What Stalin and his small group of advisers think goes so far as the people are concerned. We hope that Russia will not be responsible for a break in the United Nations ranks.

We hear that we shall have lots of dust this spring unless Western Kansas gets an abnormal amount of moisture. Wheat is looking very bad in that section, according to reports. While wheat is looking better in the Panhandle, high winds could do a lot of damage. We are all hoping that the rains will come.

Strike It Rich

John Paul Moriarty of Canton, O.—blinded as an AAF captain when his plane was shot down behind German lines in 1944—and his family look mighty pleased on learning from the Canton Repository of their good fortune. The newspaper raised \$15,000 in three weeks to build them a home. Daughter Cecilia seems especially pleased. She's got two new twin sisters.

It is just one month until the Panhandle Press Convention meets—April 12-13. Publishers of this area are interested in this convention, which promises to be the largest and best in the history of the Association.

Uncle Mose had "got 'ligion" during a revival and told Mandy he had a lot of things to confess, but said he would just wait until the grand jury wasn't in session.

"Aw, go 'haid," said Mandy, "de Lawd will forgive."

"Yeah," replied Uncle Mose, "but He ain't settin' on dat gran' jury."

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

HELP!

If you need any first-class repair work on your farm equipment, this is the place to get it.

But we urge that you give us advance notice, and give us a little time in which to do the job. The strikes have tied up production of new machines. The strikes have slowed up the manufacturing of parts. Some days we're swamped and it's tough to get out all of the work on time.

Every repair made here is made right. We carry a big stock of Genuine IHC parts to keep your equipment in A-1 shape.

When there is any farm equipment that you need, remember the old Reliable International, which has served you longer than any farm equipment supply house in Randall county. We are here for service, and will gladly furnish you all of the needed equipment and repairs that you need in your operations.

The farmers are called upon for a record harvest in 1946. International is here to help you.

No more being "caught short" with no yeast in the house . . . no spoiled batch because yeast weakened. New Fleischmann's Fast Rising keeps fresh on your pantry shelf for weeks. Keep a supply handy. At your grocer's.

Social Events of the Week Clubs and Organizations

"FLY-UP" SERVICE HELD FOR BROWNIES RECENTLY

The Fly-Up service for the Brownie Scouts was held at the Methodist Church, Friday, March 2 at 3:45.

The program was opened with a flag ceremony. Miss Ida Mae McClure, district advisor from national headquarters, gave a talk after which she pinned the wings on each girl. Then the troop leader stood before each candidate for the scout to give the promise before she pinned the Girl Scout pin upon her.

Miss McClure led in the singing of some Scout songs. The service was closed with the forming of the ceremonial Friendship Circle which included the Scouts, the leaders and the committee members. While in the circle, they sang several songs including "America" and "Taps."

The following girls are now Tenderfoot Scouts, having passed the test: Mrs. Montgomery's Troop 2, Peggy Bonds, Elvira Boyd, Carolyn

Christian, Sara Jane Colwell, Norma Sue Cooke, Elaine Cundiff, La Rue Davis, Barbara Glanton, Doris Ann Jennings, Frances Lucie McCoy, Betty Ann Morris, Coletta Fay Phelps; Mrs. Cleavinger's Troop, Alma Bishop, Joe Ann Dodson, Virginia Riggsby, Janice Waldrop, Anna Bell Dorris, Mary Owen, Dorothy Cleavinger.

Barbra Beck and Betty McGhee received Girl Scout pins.

BEDENK-CONKLIN VOWS READ AT UMBARGER

Miss Bertha Anna Bedenk, daughter of Mr. and Mrs. John Bedenk of Umbarger became the bride of LeRoy Conklin, son of Mr. and Mrs. Clarence Conklin of Hereford in a single ring ceremony at St. Mary's Church at Umbarger on February 20th with Rev. Father Krukke officiating.

The bride's gown was white with a lace fitted bodice and net skirt. She wore a finger tip veil fashioned with seed pearls. Her bouquet was of white carnations. For something old she carried a white rosary belonging to her father and for something borrowed she wore pearl earrings belonging to a roommate. The bridesmaids, Miss Rose Bedenk, sister of the bride, and Miss Margaret Ohlig, a former roommate, were attired in pink gowns fashioned similar to the brides. They carried bouquets of pink gladiolas.

The groom was attended by his brother, Tommy Conklin, and by George Liechus. A reception was held at the home of the bride's parents in the afternoon which was followed by a dance in the evening. Out of town guests consisted of relatives and close friends.

The couple will make their home in Hereford where Mr. Conklin is employed.

"The Huntsville Item" is the oldest weekly paper in Texas.

WEST SIDE H. D. CLUB GETS SEA FOOD RECIPES

"The continuous use of iodized salt completely prevents goitre." This was one of the things stressed by Miss Patterson, when the West Side Home Demonstration Club met for an all day meeting with Mrs. E. W. Bourn on Wednesday, March 6.

Sea food should be eaten once every two weeks, at least. Only salt water fish such as salmon, mackerel, oysters, crab, etc., contain iodine. These can be served in different ways: salmon and mackerel croquettes, scalloped oysters and in salads, one recipe of which I am including: "Tuna Fish Salad": 1/2 cup shredded cabbage, 1 cup shredded tuna fish, 1 cup chopped nuts, 2 hard cooked eggs, chopped, 1/2 cup chopped sweet pickle, 1/2 cup chopped celery, mayonnaise dressing, salt and pepper; combine tuna fish, nuts, eggs, pickle, celery and cabbage. Season to taste. Moisten with mayonnaise. Mix lightly with 2 forks. Serve on bed of water cress—6 servings.

Members present were: Miss Patterson, Mrs. R. A. Burrus, Mrs. W. L. Avent, Mrs. J. J. Wright, Mrs. B. A. Burrus, Mrs. C. E. Head, Mrs. Lewis Tucek, Mrs. J. W. Carter, Mrs. Joe Baber, Mrs. E. N. Zachry, Mrs. W. C. Roberts, Mrs. Pat Baber, Mrs. John Brian; visitor, Mrs. Ruby Davis; one new member, Mrs. Carl Hair; and the hostess.

Those members who have ordered satin are requested to bring money for same at the next club meeting which will be an all day meeting with Mrs. Joe Baber, March 20.

MISS ERDMAN SPECIAL SPEAKER SUE HITE TEXAS DAY

Loula Grace Erdman, novelist, short story writer, and faculty member of West Texas State College, was guest speaker at a meeting of the Sue Hite club Monday afternoon, March 11, in the Thompson club room.

Following an introduction by Mrs. Glenn Truax, who was in charge of the Texas Day program, Miss Erdman gave a few suggestions about fiction writing and told one of her stories, "But Sweet Will Be the Flower."

"A story of merit usually has a theme," said Miss Erdman. "It is best to choose a title before writing the story."

The story Miss Erdman told was suggested by the life of a woman who said her flowers were like herself, "grudgingly taking root in a strange and alien country." The story was of a young pioneer woman of the Panhandle who had moved to this section of the state from Galveston.

Mrs. Herschel Coffee, Mrs. Glenn Truax, and Mrs. J. A. Hill gave reports on the recent meeting of the Seventh District, Texas Federation of Women's Clubs. Mrs. Virgil Henson then presided for a brief business session, after which refreshments were served by Mrs. Truax and Mrs. Harold Heard.

Special guests for the afternoon included Miss Erdman, Mrs. A. F. Erdman, Mrs. Dick Craig, Mrs. Chris Wooten, Mrs. James Jennings, Mrs. J. S. Humphreys, Mrs. J. A. Hill, Mrs. Floyd Tomlinson, Mrs. M. E. Cantrell, Miss Mae Simmons, and Mrs. Virna Vasline Brown of New York City.

CENTREVIEW H. D. CLUB TOURNAMENT A SUCCESS

The Centreview Home Demonstration Club "42" Tournament came to a close Saturday evening, March 2 at the home of Mr. and Mrs. J. W. Wesley. Charlie Sutton was awarded a card table for winning most games during the four evenings of playing. He had 29 games to his credit. Mrs. T. J. Myers and John Littlefield were close seconds with 28 games won.

Mrs. T. J. Myers and F. M. Brazil proved their ability as players by chalking up the most points for the evening. Mrs. E. W. Schaeffer and Charlie Sutton received low scores. This was the final of such parties sponsored by the finance committee for entertainment and to raise funds for the club treasury. After the expenses were paid, a total of \$26.25 was added to the treasury from the undertaking.

Refreshments of gingerbread squares and lemonade were served by the hostess, Mrs. S. F. Sharpes, Mrs. G. E. Wesley and Mrs. J. W. Wesley to about 70 guests.

Mr. and Mrs. J. J. Douglass spent the week end at the home of Paul Scott in Levelland.

BENEFITS DERIVED FROM SEA FOODS HIGH-LIGHTED

"Calcium deficiency not only endangers tooth and bone structure, but is a major cause of nervousness and irritability," stated Miss Lou Ella Patterson, home demonstration agent to the Centreview Home Demonstration Club members, Friday afternoon, March 1.

This was a regular meeting of the club and the meeting place was at Mrs. S. F. Sharpes. Members brought their handwork and enjoyed an all day meeting with a covered dish lunch being served at noon.

Mrs. A. E. Wise, president called the meeting to order at 2:30 p. m. Mrs. H. H. Shipman acted as secretary in the absence of Mrs. Zachry, regular secretary. Several items of interest were discussed. Plans were completed for the tufted bed spread that is to be raffled off by the club.

Mrs. Sharpes moved that we make Mrs. Lloyd Garrison a box of miscellaneous gifts, aprons, crochets or embroidery gifts and send to her. These gifts are to be brought to the next meeting which will be in the home of Mrs. John Patterson, March 15.

Miss Patterson discussed "Selling Sea Food to the Family," and told the club that recipe sheets would be prepared and handed out to the club members soon for sea foods.

Refreshments of cookies and punch was served to the following: Misses Evelyn Schaeffer and Mildred Bryan, visitors; Mrs. Lester Bryan, Mrs. E. W. Schaeffer, Mrs. J. W. Wesley, Mrs. A. E. Wise, Mrs. H. H. Shipman and S. F. Sharpes, members. Children present were Doyle Bryan, Nan Earle Shipman and Doyle Jene Shipman.

HIGHLAND H. D. CLUB STUDY NEED OF SEA FOOD DIET

"Sea foods are a good source of iodine and the use of sea food in the diet once every two weeks is considered sufficient to furnish the iodine needs of the body," said Miss Lou Ella Patterson.

Miss Patterson gave sea food recipes to the club members and urged them to eat more sea foods. The club met in the home of Mrs. M. L. Cribbs, March 5.

The meeting was called to order at 3:00 p. m. by the president, with seven members present, Miss Lou Ella Patterson and one visitor Mrs. Walter Pryor. Each member answered roll call by telling how often she served sea foods.

Council report was given by Miss Patterson, as the club council reporter was absent.

Coffee with cake was served to the following club members: Mrs. R. D. Grantham, Mrs. A. F. Moore, Mrs. Clyde Jones, Mrs. S. E. Brightwell, Mrs. A. N. Green, Mrs. C. O.

WATCH MY FAMILY GROW!

Poultry has become one of the most important sources of income for many farmers in the Panhandle-Plains and Pecos Valley area. Poultry of all kinds get along fine in our climate... plenty of low-cost feed for them and an abundance of fresh, clean water, too.

Experts tell us that this is the ideal territory to raise all kinds of poultry because it has everything. Yes, everything—including plenty of low-cost, dependable, electric service for incubation, brooding, lighting and other services for poultry raising.

Representative government should be restored in Texas.

In my judgment, we do not have representative government when our laws are made by men who come from districts that are not based on the latest federal census—as our State Constitution directs—but that are based on what the population was 26 long years ago.

We do not have representative

government when State boards and bureaus are not truly representative in their membership. For example, there is no member of the State Game, Fish and Oyster Commission from the Gulf Coast area, though that is where most of the fish and all the oysters are. Also, there is not one educator on the State Board of Education. And still another example, although half the student body of the University of Texas consists of young women and there are nine places on the board of regents of the State University, not one of those nine places is occupied by a woman.

We do not have representative government and it is almost impossible that it will be truly and fully so until we have a really secret ballot in Texas so that every man can feel free to vote his own convictions, without fear that someone can examine his ballot and see how he voted.

We do not have representative government in Texas when hundreds of thousands of Texans who

served their country are unable to buy clothes or a home and the government of their State is so little interested in their welfare that about all it has done is to give them a free vote after having, in effect, disfranchised them all during the war. The men in the service who are still overseas are, in effect, still disfranchised. In fact, the whole situation is so clouded with doubt that many of the veterans who have returned paid their poll tax so that they could be sure of a vote.

We do not have representative government in Texas when a trickily-worked amendment is submitted which holds out the promise of \$40 a month to the needy elderly and then breaks that promise and shatters that hope by refusing to provide the necessary money.

We do not have representative government when Texas newspaper men are rushed to jail for something they wrote while men who committed murders and robberies are being turned out of the penitentiary by the hundreds, on pardons or paroles, to resume their criminal activities against the property and lives of law-abiding citizens.

Let's restore representative government in Texas.

Enrollment May Increase To 1500

Enrollment of West Texas State, which hit a low during the war, is coming back steadily and next session may bring a new peak in registration.

The highest pre-war enrollment was 1205 in 1940-41. The low was in 1943-44, when the Registrar's figures dropped to 789.

Current enrollment, including the Amarillo Center, is slightly more than a thousand students whose papers were processed this year by the Registrar. Next session, if dormitories are completed in time, may produce an all-time high, which some college authorities estimate may reach 1500.

Educators Will Convene Friday

Classes Will Continue During Annual Conference

Northwest Texas Conference on Education, which is an annual affair, will hold meetings in Amarillo Friday in which several West Texas State professors will deliver addresses. The conference will last only one day, therefore classes will continue as scheduled.

Morning and evening general sessions will be held in the Amarillo Senior High School auditorium. Section meetings will be held in the Senior High School Building and Elizabeth Nixon Junior High School Building.

The theme of the meeting will be "Democracy and John Jones." Mr. W. Holmes Smith will direct a round table discussion on "The GI in Industrial Arts" to those interested in this division. "Reading for Stabilization of American Citizenship" is the topic chosen by Miss Loula Grace Erdman to be given in a luncheon meeting. In the mathematics department Mr. C. A. Murray will deliver "Functional Thinking in the Teaching of Mathematics."

To the high school language arts section Dr. A. Kirk Knott will deliver "Concerning Building Words." Miss Wilma Herring, teacher trainer, will address a conference with "Decorative Arrangements for Home and School."

President J. A. Hill will be the speaker at the school administrators' luncheon which will be given at the Herring Hotel. Dr. J. B. Speer, superintendent of Canyon schools, is chairman of the division.

Walter Travis, ex-student of West Texas State and Texas Tech, is president of the Northwest Texas Conference. He is superintendent of schools in Dumas.

Trailer Conditions Are Improving

Living conditions more attractive than external appearances might indicate are being achieved by 56 World War II veterans in the new trailer village at West Texas State. Thirty-two of the men are married and there are 21 children in the village.

The trailer houses are furnished with water, lights, gas, and sewer connections. One concrete sidewalk has been completed and gravel walks are being constructed to each house. Provided, also are clothes lines, disposal cans, and other facilities. Some dwellers are building light fences. Workmen are banking soil around the foundations and leveling ground by utility lines.

H. L. Harden, assistant business manager of the college, is in charge of the trailer village. He is assisted by a "city council" composed of James Shuttleworth of Sudan, a senior; Roger M. Smith of Plainview, a freshman; and W. L. Johnson of Turkey, a junior. Shuttleworth denies that he is mayor of the village.

"We had more than enough experience with top men in military service," Shuttleworth explained. "Our councilmen are equal in rank." Scheduled to be started soon is a new dormitory to house one hundred veterans. This will be a one-story unit located near Terrill Hall for men. It will be placed east of the Terrill Hall dining room and will face north.

A professional moocher found a brother moocher on a certain street and said: "What are you doing away from your old route on Main Street?"

The other replied: "Oh, I gave that to my son for a wedding present!"

Gen. Eisenhower will make a one-day visit to Denison, in April.

\$6.90

T. A. Black

You aren't getting machinery, Mr. Farmer, because...

PICKET LINES

have taken the place of

PRODUCTION LINES!

...so don't blame your Implement Dealer!

YOUR implement dealer had planned and expected to have his display floor filled with new implements and tractors weeks ago. And we had planned to make them—had told our dealers and our farmer customers they would have new equipment and plenty of service parts for the 1946 spring work. And we had hoped to sell these machines at no advance in price.

Real Production Had Started

When the war ended, our organization bent every effort to increase production, with the result that in the last months of 1945 machinery was being built in very substantial quantities. Here are a few figures:

ITEM	PRODUCTION	
	NOV. 1945	DEC. 1945
Tractors.....	7,271	7,432
Combines.....	2,345	2,526
Cultivators.....	3,482	3,308
Hay Loaders.....	209	982
Plows.....	6,185	6,702*

*Plows are made in our Canton and Chattanooga Works, which are not on strike. January production was 7,747 plows.

Both your dealer and we were encouraged by this production picture at the turn of the year. But the strike changed all that. As you know, the CIO United Farm Equipment & Metal Workers of America called a strike in ten of our plants, on January 21, 1946.

What Is The Strike About?

Wages are a basic issue. At the time of the strike, Harvester employees were among the highest paid workers in American industry. When the strike began, the average hourly

earnings in the ten plants, not including overtime, were \$1.15½. If present wage proposals are adopted, this figure will become \$1.33½ per hour.

When the strike began, negotiations were broken off by the Union on the issue of compulsory union membership. The Company has no desire to weaken the Union. It recognizes certain reasonable needs of the Union. But the Company does oppose compulsory unionism. It feels strongly that an employee's membership should be a matter of his own choice.

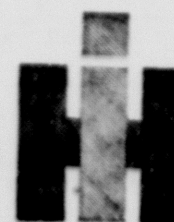

Material Costs and Price Relief

Wages and materials are the great costs of operating our business—together they consume all but a few cents of every dollar the Company takes in. Wages are obviously going to be high—and nobody knows just how high material costs will go.

In the face of rising costs of materials, the Company does not see how it can pay the wage increases recommended by a Government fact finding board until it has definite and satisfactory assurance from the Government that reasonable price relief will be granted to the Company within a reasonable period of time. This matter is of such importance that it will not be discussed here, but will be covered by future advertisements devoted to both prices and profits.

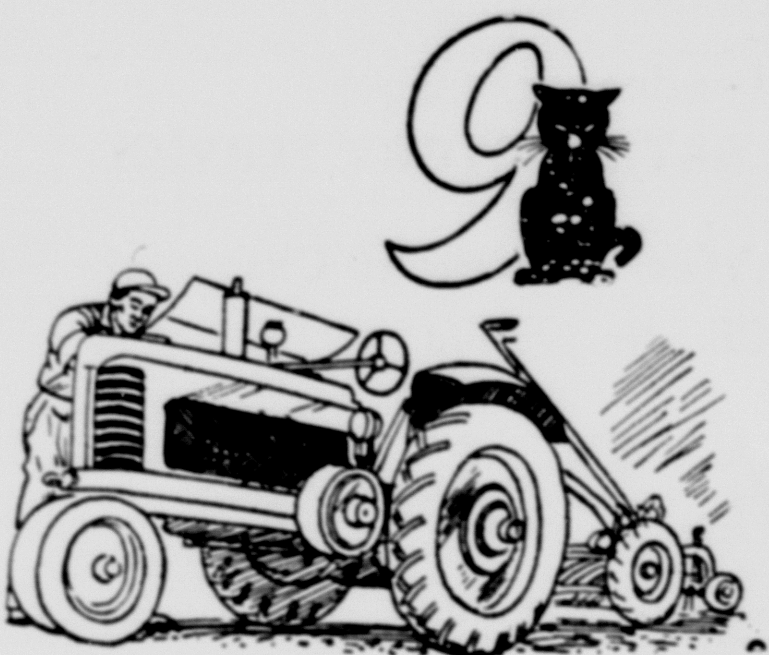

Speaking for our dealers and ourselves, we can assure you that no customer is more eager than we are to resume production. We are doing and shall continue to do everything in our power to bring about a fair settlement as soon as possible.

Choirs Will Give Concert In May

Three Combined Groups Are Beginning Rehearsals

Rehearsals have begun for a massed choral concert to be held at 3:30 p. m. on May 26, according to Dr. Wallace R. Clark, professor of music and head of the department, who will conduct the concert.

The Men's Chorus, Women's Chorus, College Choir and double sextet will be combined into one great mixed chorus to perform Mendelssohn's oratorio, "Hymn of Praise," accompanied by the college orchestra. The solo parts have not been assigned.

The Women's Chorus is made up of 50 voices. They are practicing on various numbers, such as "The Lord's Prayer" by Mallote, and "Little David Play on Your Harp," a negro spiritual. This chorus will appear at the Baptist Student Union district meeting on March 9, Houston Bright, instructor in public school music and voice, conducts the chorus. Mary Hodges is the accompanist.

"Boot and Saddle" by Bantock, and "Battle of Jericho," a negro spiritual, are current favorites of the men's 35 voice chorus conducted by Dr. Clark. Mary Lee Gunstead, instructor in piano, is the accompanist.

The College Choir, which consists of 32 voices, is practicing "Gloria Patri," by Palestrina, and "The Lost Chord," by Sullivan, among other religious numbers. Houston Bright conducts the choir.

The College double sextet is made

up of 12 selected women's voices. It sings three and four part numbers, both with accompaniment and a cappella. The sextet assists the College Variety Show and will appear in many programs this spring, including an appearance in Amarillo High School on April 11.

What is Russia Up To, Asked By Our Congressman

By GENE WORLEY

The average American generally does not have time to keep well informed on what happens in other countries over the world. We are naturally more interested in local, state and national matters than we are international. But in the brief span of a few years we have fought in two World Wars and both wars have come from things that happened overseas.

The greatest effort in history to prevent wars has come with the creation of the United Nations Organization. Senator Tom Connally of Texas, Chairman of the Foreign Relations Committee, and Senator Arthur Vandenberg of Michigan, a Republican were the two Delegates from the United States Senate. This week Senator Vandenberg presented to the Senate his reactions from the first meeting of this organization in London which has just concluded. His remarks are particularly important in view of his leadership in the Republican Party and likewise of great importance to every American who wants to stop wars.

Among the highlights of his presentation, the following is quoted from the Congressional Record of February 27, 1946:

"I return with no illusions that automatic peace awaits the world just because the machinery of the United Nations is now in gear. But I return also with . . . a conviction that the world's only hope of peace and security is inseparably linked with the . . . destiny of this United Nations Organization. I return in the belief that it can succeed unless Russia, Britain, and the United States, individually or collectively, make it impossible. The amazing thing is not that at London there were areas of disagreement but that the areas of agreement were so vast and so significant.

" . . . The United Nations must be made to succeed if we are to avoid unspeakable catastrophe in this atomic age when war may be waged in minutes instead of years and when the first casualty list may be the last.

He goes on to say that in 37 days the United Nations turned from a blueprint into a going concern and that the complete machinery for the General Assembly, Security Council, Court of International Justice, and the Social and Economic Council was organized. He states there was healthy rivalry and equally healthy agreement, and in athletic parlance the team was learning to play ball. Fifty one nations of all races, colors, creeds, languages, and traditions had to concur and they did in nearly all respects.

Later on in his report, he dis-

OUR DEMOCRACY—by Mat

"OLD HICKORY"

ANDREW JACKSON

BORN MARCH 15, 1767...DIED JUNE 8, 1845

SELF-TAUGHT AND OF THE COMMON PEOPLE, THE FIRST FRONTIERSMAN TO HOLD THE HIGHEST PUBLIC OFFICE IN THE NATION, JACKSON WORKED TO BROADEN THE RIGHTS OF FRANCHISE—URGED CITIZENS IN ALL WALKS OF LIFE TO SEEK PUBLIC OFFICE. BROAD PUBLIC PARTICIPATION IN GOVERNMENT IS THE ESSENCE OF DEMOCRACY

cussed Russia and her intentions in plain language. It is no secret in Washington and elsewhere in this country that a large number of people are wondering just what Russia really has in mind. He handled that puzzle as follows:

"I trust I am not unfair in also confessing that it seemed to me the distinguished Soviet Delegate—one of the ablest statesmen I have ever seen in action—seemed to be less interested in helping Lebanon and Syria than he was in baiting France

and Britain—less interested in peace at this point than he was in friction. I am certain it posed the same question in all our minds which I am now finding almost every day, in one form or another, in every newspaper I read—"What is Russia up to now?" It is, of course, the supreme conundrum of our time. We ask it in Manchuria. We ask it in eastern Europe and the Dardanelles. We ask it in Italy where Russia, speaking for Yugoslavia, has already initiated attention to the Polish legions. We ask it in Iran. We ask it in Tripolitania. We ask it in the Baltic and the Balkans. We ask it in Poland. We ask it in Japan. We ask it sometimes even in connection with events in our own United States.

"What is Russia up to now?" It is little wonder that we asked it at London. It is less wonder that the answer—at London and everywhere else—has a vital bearing on the destiny on the United Nations. And, Mr. President, it is a question which must be met and answered before it is too late."

Self-pity is a damper that cuts off the heat of ambition.

MRS. LEROY BOEHNING GIVEN MISCELLANEOUS SHOWER

Mrs. Leroy Boehning, recent bride of Leroy Boehning, was honored with a surprise miscellaneous shower in the Walter Boehning home Sunday afternoon.

After the guests had assembled, the bride was ushered into the dining room where the gifts were piled high on the table.

When the honoree had opened the gifts, refreshments of cake and coffee were served by Mrs. Walter Boehning, mother-in-law of the bride, from a beautifully appointed tea table to the following guests:

Mrs. Leroy Boehning, Mrs. Mildred Boehning, Mrs. Freida Boehning, Mrs. Leonard Boehning, Mrs. Pauline Wendelken, Mrs. Henry Miller, Mrs. Ida Rogge, Mrs. Alvina Leseberg, Mrs. Henry Meyer, Mrs. G. H. Leseberg, Mrs. E. A. Michael, Mrs. Ralph Ruthardt, Mrs. Albert Meyer, Mrs. Fred Marshall, Mrs. George H. Albers.

Mrs. A. E. Kampen, Mrs. Erwin Meyer, Misses Barbara Michael, Florence Boehning, Betty Ann Miller, Betty Jean Schuette, Sandra Michael, Helene and Annette Meyer, Gladys Leseberg, Janie Meyer, and Mrs. Silas Hart.

Those sending gifts but unable to attend were: Mrs. John Flink, Hardine Rogge, Mrs. Raymond Tu-

cek, Mrs. Fred Gerdson, Mrs. Herman Kuhlman, Mrs. Fred Schuette, Mrs. Vance Albers and Lawrence Boehning.

PRISCILLA CLUB LUNCHEON HELD IN DOWLEN HOME

Mrs. C. M. Dowlen was hostess to the Priscilla Club for a covered dish luncheon Wednesday, March 6, at 1:00 o'clock.

After lunch needle work occupied the time.

Members present were: Mrs. Ernest Brown, Mrs. C. M. Presley, Mrs. Rud Prichard, Mrs. Ray McReynolds, Mrs. Erwin SoRelle, Mrs. J. L. Ponder, Mrs. Frank Hicks, Mrs. J. Madison Daugherty, Mrs. J. L. Duffot, Mrs. J. M. White, Mrs. S. B. Louder, Mrs. Alfred Bellah.

PRE-NUPTIAL SHOWER GIVEN BRIDE-ELECT NORMA BLACK

Miss Norma Lee Black, bride-elect of Harold Taussig of Parshall, Colo., was honored, Thursday, Mar. 7, at 3:00 o'clock with a miscellaneous shower in the home of Mrs. J. A. Guthrie, 1010 Fourth Avenue with Mrs. W. L. Vandergriff and Mrs. W. N. Dickerson as co-hostesses.

Seasonal flowers decorated the entertaining rooms and Miss Black was presented with a corsage of sweetpeas.

Following appropriate readings by Sue and Fay Dickerson, the lovely gifts were opened and displayed for the guests.

Delicious refreshments of pink

and white angel food cake, coffee, mints and nuts were served from a lace covered table centered with a bowl of sweet peas, flanked by white candles.

Mrs. W. L. Vandergriff, aunt of the bride-elect, served the cake and Mrs. W. A. Black, mother of the bride-elect, served the coffee.

Approximately 25 friends and relatives were invited.

MOTHER-IN-LAW CLUB MEETS IN MRS. JESSIE REID HOME

Because of the illness of Mrs. G. B. Combs, the Mother-in-Law Club met at the home of Mrs. Jessie Reid, Thursday, March 7.

Mrs. R. D. Lowry presided over the meeting. The day being stormy, not many members were present. After the business meeting, Mrs. Reid told briefly of her trip through Louisiana, Mississippi and on to Palm Beach, Florida. Mrs. Lowry gave a reading.

During the social hour, the hostess served dainty refreshments to the following: Mrs. Lowry, Mrs. M. E. Sogee, Mrs. N. A. Croson, Mrs. Otto White, Mrs. G. W. Cox, Mrs. T. S. Trowbridge, Mrs. J. W. McCrery, Mrs. Emma Dodson, Mrs. M. S. Frieze, Mrs. E. B. Anthony and the hostess.

The next meeting is scheduled for April 4 with Mrs. Fred Marshall, 1407 Sixth Avenue as hostess. The meetings begin promptly at 3:00 o'clock.

PRESBYTERIAN GUILD MEETS IN LEE FOSTER HOME

Tuesday, March 5, Mrs. Lee Foster assisted by her young daughter, Sally, was hostess to members and guests of the Presbyterian Guild.

Mrs. J. D. Barker directed the devotional "These Two Are Americans."

Mrs. R. B. Jones led the program, "Christianity Where You Live."

Dainty refreshments were served during the social hour to Mrs. Chris Wooten and Mrs. Roland Black, guests; Mrs. Robert Black, Mrs. John Gillis, Mrs. Robert P. Jarrett, Mrs. Jones, Mrs. Chas. Joyner, Mrs. W. E. Miller, Mrs. R. A. Neblett, Mrs. L. H. Owen, Mrs. I. F. SoRelle, Mrs. Holmes Smith, Mrs. Barker, Mrs. Maude Cuenod, Miss Margaret Barrett and Miss Pearl Black, members.

FAIRVIEW GIRLS ORGANIZE 4-H CLUB FRIDAY AFTERNOON

The Fairview girls met Friday afternoon, March 8 in the home of Mrs. H. H. Shipman for the purpose of organizing a 4-H Girls Club.

The following officers were elected: President, Annabel Schaeffer; vice president, Naoma Bryan; secretary-treasurer, Mary Wise; reporter, Etta Jean Sharpes; song leader, Laquita Patterson; game leader, Betty Patterson; clothing

demonstrator, Mary Wise; food demonstrator, Naoma Bryan.

Refreshments were served to the following: visitors, Mrs. A. E. Wise, Mrs. Lester Bryan, Mrs. John Patterson and Mrs. E. W. Schaeffer; members, Billy Bryan, Mildred Bryan, Annabel Schaeffer, Laquita Patterson, Betty Patterson, Naoma Bryan, Etta Jean Sharpes, Mary Wise; the sponsor, Evelyn Schaeffer, and the hostess.

The next meeting will be with Annabel Schaeffer, March 26. Miss Lou Ella Patterson, home demonstration agent, will meet with the girls.

EDGETOWN H. D. CLUB MEETS WITH MRS. DOWD

Mrs. J. C. Dowd was hostess on Friday evening, March 8, at 3 o'clock to the Edgetown Home Demonstration Club.

The Collect for club women was repeated in unison, after which "America, The Beautiful" was sung. Mrs. Fred Marshall, the club president, presided over a short business meeting. Mrs. S. R. Hood, council reporter, gave the council report.

An interesting discussion was given by the County Home Demonstration Agent, Miss Lou Ella Patterson, whose topic was "Selling Sea Foods to the Family." One main point was, "With the exception of dried foods under no circumstances should any food be soaked. The minerals and many other food substances soak out readily and are wasteful."

Tea, sandwiches, cakes and nuts were served to Miss Lou Ella Patterson, Mesdames Fred Marshall, E. C. Penick, Doug Marshall, T. T. Pain, P. L. Walters, O. M. Solomon, W. L. Rice, T. M. Thurmon, J. H. Wright, Frank R. Phillips, S. R. Hood, Steen, J. C. Dowd, J. R. Sharp and Miss Mable Solomon.

The next meeting will be with Mrs. T. T. Pain on Friday, March 22, at 3 p. m. The subject will be planning for and using electricity.

FRIENDS HONOR MR. AND MRS. CHARLEY KNOX FRIDAY

A shower honoring Mr. and Mrs. Charley Knox, recently married couple of this community, was given Friday night, March 1 at 7:30 in the Johnson schoolhouse.

Guests signed in a bridesbook pre-

sented over by Mrs. Charley Bauer. Games of "42" were played. Cocoa and sandwiches were served to Mr. and Mrs. Alvis Sykes and children, Mr. and Mrs. Sid Guest, Mr. and Mrs. J. B. Knox, Mrs. Eula Hayes and Helen, Mr. and Mrs. O. K. McDonald, Mr. and Mrs. Don Foster, Mr. and Mrs. Jack Glenn, Mr. and Mrs. Phillip Rickwartz and family, E. J. Bauer, Junior and Thelma, Mr. and Mrs. Lee Wagner and family.

Mr. and Mrs. I. L. Bauer and family, Mrs. Letha Lehnick.

Mr. and Mrs. E. W. Schaeffer, Mr. and Mrs. A. E. Wise and Uel, Mr. and Mrs. T. J. Myers, Mr. and Mrs. A. A. Ellwart, Mrs. Henry Ratjen and Betty, Mrs. T. G. Knox, Mr. and Mrs. F. M. Brazil and family, Mr. and Mrs. C. W. Bauer, Leonard and Leona, Miss Louise Tucek, Miss Audrey Knox, Cloys and Loys Knox, Mrs. Frances Davis and Miss Florence Hall.

Those sending gifts but unable to attend were: Mr. and Mrs. M. R. Miller, Mr. and Mrs. R. L. Campbell, Mr. and Mrs. L. E. Mashburn, Mr. and Mrs. George Gillham, Mr. and Mrs. Virgil B. Reagor, Mr. and Mrs. H. C. McCarley, Mr. and Mrs. W. C. Lindsey, Mr. and Mrs. Clyde King, Mr. and Mrs. G. L. Miller, Mr. and Mrs. Buddie Cox, Ray Fullerton, Miss Maxine Barnard, Mrs. Pannie Goodnight and Bob, Mr. and Mrs. R. B. Gist, Mr. and Mrs. Glenn Dowlen, Mr. and Mrs. Roland Northam, Mr. and Mrs. Tin Hardman, Mrs. F. L. Spiser, D. S. Hill, Mr. and Mrs. S. L. Robinson, Mr. and Mrs. J. H. Patterson, Mr. and Mrs. J. T. McGehee, Mr. and Mrs. E. F. Carter, Mrs. Earl Wesley, Mr. and Mrs. E. W. Miller, Mr. and Mrs. Don Sauter, Mr. and Mrs. Roy Browder, Mr. and Mrs. Bob Gore, Mrs. Cal Parker, Mrs. Opal Hudson.

MISS IMELDA LANGE IS BRIDE OF DELBERT WESLEY
Miss Imelda Lange, daughter of Mr. and Mrs. Joe T. Lange, became the bride of Delbert Wesley, son of Mr. and Mrs. Alvin Wesley at the Holy Name Church, Happy, Texas on March 5.

Rev. Gerhard Stakemier officiated at the Nuptial Mass. The bride wore a floor length white dress and finger-tip veil and carried a white gladioli and sweet peas bouquet. She was attended by Miss Roberta Irlbeck, a cousin, as bridesmaid and Mrs. James Johnson, a sister, as matron of honor.

Albert Lange, brother of the bride, was best man. A reception was held in the home of the bride's parents following the wedding ceremony.

Mrs. Beale McGehee underwent an operation at an Amarillo hospital this week.

Mr. and Mrs. Arthur C. Haley of Seligman, Ariz., spent Friday night at the home of their son, Arthur C. Haley, Jr.

Mr. and Mrs. James Davis from Phillips visited over the week end in the parental John Davis home.

Mrs. H. T. Wilcher and Mrs. Roland Black visited in Dallas from Thursday to Sunday.

Elmer Wooten, superintendent of the Stratford schools, was here yesterday on business.

General Robert E. Lee's battle steed was named Traveler.

Palo Duro News

Pfc. and Mrs. Dwayne Roberts of Camp Chaffee, Arkansas arrived Saturday afternoon at the home of her parents, Mr. and Mrs. E. P. Harding.

Mr. and Mrs. Floyd T. Kiser and family of Canyon spent Saturday night and Sunday in the E. P. Harding home.

Mrs. H. Kuhlman is in the Canyon hospital where she is recovering from an operation.

Mrs. Vance Albers returned to Lubbock Monday.

Sandy Oliver went to Fort Sill, Oklahoma Monday. He will take his physical examination for entrance to West Point Academy.

Mr. and Mrs. Phillip Rickwartz and family with Mrs. C. W. Bauer and Leona were visitors in the Alvina Leseberg home Sunday afternoon.

CARD OF THANKS

We wish to express our sincere appreciation to each one who was so attentive to the needs of our brother before our arrival and so kind and thoughtful to us at the time of our sorrow. George S. McConnell and Harvey McConnell.

Mr. and Mrs. T. E. Allen and son from Midland visited Sunday in the parental C. O. Cooper home and visited in Amarillo Monday with Mr. Allen's mother.

Dr. R. P. Jarrett, Dean of West Texas State College, is recovering from an attack of gall bladder trouble. He is having to rest awhile.

Mr. and Mrs. Jim Collins of Plainview and Mr. and Mrs. J. T. Bradley of Amarillo visited in the home of Mrs. Jessie Reid Sunday.

Two Men Injured on Highway When Trailer Broke Away

Johnny Sikes and Dan Higgins, Highway employees, were injured in a car wreck north of the airport about noon Tuesday.

Mr. Higgins and Mr. Sikes were in a car driving south. Peter Meyers was driving north, pulling a two wheeled trailer hauling two calves. Just as the two cars met the trailer became disconnected and crashed into the car going south.

Both Mr. Sikes and Mr. Higgins were brought to Neblett Hospital. Mr. Sikes was released in the afternoon, but Mr. Higgins was still in the hospital yesterday for observation.

Sheriff Attended Instruction School Held at Austin

Thursday Sheriff Cantrell, Mack and Alvin Jennings went to Austin to attend a Sheriff and Chief of Police School of Safety in Austin.

Mr. Cantrell is president of the Texas Sheriff organization and completed a course with the F. B. I. last summer.

Ed Gormely, Dallas, president National Auto Theft Association was present and took part in discussions.

Mr. Cantrell and the boys saw some of the State basketball tournament games while they were there. They returned to Canyon Sunday.

"Waiter, I ordered one egg, why did you bring me two?"
"Sir, I hated to separate them after all these months."

"Will we have a nice home after we marry, dear?"
"Why, sweet, you're not figuring on moving, are you?"

"Have you forgotten that you owe me \$5?"
"Not yet. Give me a little time, won't you?"

Athens, capital of 100 year old Henderson County, claims to be the blackeyed pea capital of East Texas.

Molasses differs from natural syrup because the sugar is removed.

Grid Outlook Called Good

Return of Veterans and Influx of New Material Hikes Hopes

Coaches Gus Miller and Windy Nicklaus have high hopes for their 1946 football season with several former stars returning to the campus, good prospects from new material, and with most of the 1945 lettermen expected back.

Leroy Reeves, sophomore from Childress, will mean a lot to the West Texas State backfield. Reeves played an outstanding year of freshman football for the Buffaloes in 1943. He plays at the tailback spot and in the year he starred he was leading scorer for the team. Reeves is expected to be one of the leading stars again this season.

James Love Is Back

James Love from Vernon will be back in one of the tackle spots this year. Love is a three-year letterman at that position and will be out to play better than ever before. Along with Love comes a person that cannot be forgotten in football history of the West Texas State Buffaloes for his playing made history in the Border Conference.

That person is none other than Larry Sanders, who was paired with "Wee" Ben Collins in the 1942 season. Sanders did a great job of scoring and ground gaining for the Buffs that year, with 10 touchdowns and 60 points to his credit.

Larry Sanders and Ben Collins were known as the famous "touchdown twins" in 1942. Collins was second high scorer in the nation that year with 132 points.

1945 Men Available

Burl Pruitt will be back, running from the halfback slot. Pruitt is a one year letterman at West Texas State.

Other ex-Buffaloes who are expected back on the campus by football season who are not all ready on the campus are: Buford Emmer, Mack Winters, C. M. Teague and Willis Hedges.

Members of the 1945 squad who probably will be back include: Bill Greenfield, Don Leach, Kenneth Glasgow, Lloyd Johnson, Dwaine Lyon, A. D. Shaver, Terry, Bradford and Truelove.

15 Bands Play at WT Saturday Annual Clinic

In an annual band clinic held here Saturday, fifteen high school bands from the Panhandle area attended. In order to pick the best instrument players of each group,

try-outs were held. These resulted in a 90 piece band which held rehearsals throughout the day and presented a concert in the evening, under the direction of Fred Westphall, professor of music, from Texas State College for Women in Denton.

Bands Attending

Those bands and directors participating in the clinic were Childress, W. H. Adams; Canyon, M. D.

Shepherd; Phillips, Henry Goldwire; Hereford, Carol McMath; Amarillo, Clyde Rowe; Borger, Fred Carpenter; Perryton, Bob Lowe; Plainview, Bob Davidson; Tulla, Bob Gray; Clarendon, J. G. Stanley; Shamrock, Ed Chenette; White Deer, James Gain; Dalhart, C. V. Keever; West Texas Training School, Herman Demus; and Spearman, Superintendent D. L. Malin.

Placing first in the clarinet section was Norma Eiring, a senior from Plainview. Pat Routh, junior from Amarillo rated first chair among the bassoons. A sophomore, Amarillo was Gary Garner, a flute player. Alto clarinet player, Mary Estelle LeGrand is a junior from Hereford.

First Chair Players

Others rating first chairs were Dolores Slaughter, sophomore saxophone player from Plainview; H. C. Godfrey, trombone, junior from Plainview; bass player Bill Green, Junior, coming from Shamrock; Truman Kemper, french horn, an Amarillo sophomore; two sophomores from Amarillo, Patsie Johnson and Betty Kehey, playing string basses; bells, Maxine Wallace, senior from Dalhart; tympani player, senior Ted Lokey from Amarillo; Martha Montgomery, an eighth grade student from Shamrock, playing the cymbals; Max Bellah, sophomore from Canyon High School sharing the bass drum with Alice Price, sophomore from Childress; Dick Brooks, sophomore from Amarillo, baritone; Joe Cato, snare drum, senior from Amarillo; Virginia French, piccolo player, junior from Dalhart; and Jack Bason, junior from Amarillo, cornet.

Music Played In Clinic

Music played by the Clinic Band consisted of two marches "With Freedoms Flab" by Olivadoti and "Capital City" by Staigers. Class B numbers were "Wanderers Call" by Guentzel, "Second Norwegian Rhapsody" and "Victory Overture" by Coons. Four Class C numbers were played. They were Buchtel's "Dublin Holiday," Brent's "Cameo Overture," "Two Admirals" by Skornicka, and "Pomona Overture" by Holmes. Class D numbers consisted of "Prince and Pauper" by Johnson, "Excaliber," Holmes, and "Concert Overture in G Minor." A novelty number was "Three Blind Mice" by Krangkiser. Grant Sherman's "Queen of Battle," a new manuscript, was played.

Worley Explains Appropriation Bill For Agriculture

Last week the House took up the annual appropriation bill for agriculture, which is of great importance to farmers and ranchers and others living in rural communities.

Some of the more important provisions which are of interest to the Texas Panhandle are:

(1) Soil Conservation Service. Over the country new districts are being organized at a very rapid rate. For example, in 1945 there were 1,346 Soil Conservation Districts and by midyear the number had increased to 1,463. It is expected that by the end of 1946 there will be 1,580 Districts completely organized. The Committee recommended the appropriation of two million dollars for the purchase of heavy equipment from government surplus for loan and grant of Conservation Districts.

(2) Fifty million dollars has been recommended for the school lunch program.

(3) An appropriation of \$110,256 to provide farmers with the prompt classification of cotton samples and about ninety thousand dollars to supervise inspection and grading of an increased volume of grain moving in domestic and export trade.

(4) Continuation of the Farm Security Program in assisting veterans and those not in a position to obtain credit from other sources, and for low-income farmers returning from war industries who are not now borrowers and who cannot obtain adequate credit elsewhere.

(5) Two hundred and fifty million dollars for rural electrification loans to be borrowed from the Reconstruction Finance Corporation.

These are several highlights of the Bill and the House is expected to complete action on the measure this week when it will go to the Senate for further consideration.

Nylon stockings are made of coal, water and air.

Three Important Features . . .

Our years of experience taught us that you customers deem **QUALITY, SERVICE and THRIFT** the three most important features in any dry cleaning establishment! We have worked to bring them to you . . . quality of the materials we work with, extra service even in wartime, and thrift with low prices and guaranteed cleaning.

Old Age Assistance Sets High Record In State of Texas

Old-age assistance in Texas this year will cost State tax-payers nearly three times as much as the "ceiling" predicted by sponsors of the aid plan when it passed the Legislature in 1935, the Texas Research Institute points out in a report issued this week.

The report is a factual study of the cost of ten years of old-age assistance in Texas.

When the first pension law was

enacted, its sponsors said annual payments would not exceed \$9,000,000 from State funds. This year, the Institute points out, the aged people of Texas will receive \$25,400,000 from State funds.

Total cost of State taxpayers of ten years of old-age assistance has been, in round figures, \$155,000,000, the report declares. The cost has skyrocketed, according to the Research Institute, because the original idea of old-age assistance has been transformed into a system of old-age pensions. The policy of "granting assistance to people who are not needy has resulted in less funds for those who are in need."

the Institute states.

Figures show that 452 out of every 1,000 Texans sixty-five or older are receiving assistance, while the national average is but 210.

Henry W. Shaw wrote by the name of Josh Billings.

Horse meat is as safe as beef for human consumption.

Lt. Col. Dewitt Greer, Winnsboro, Texas, developed the first teletype set-up in U. S. history used in a cross-the-world cabinet meeting.

Brownsville, Texas, holds "The Charro Days Fiesta" Feb. 28 to March 3rd.

Texas seedmen will plant 115,000 acres of certified seed crops in 1946.

ANNOUNCEMENT

We take pleasure in announcing the sale of the Canyon Steam Laundry to Mr. J. A. Young, who is now in possession of the business.

We hope that you will continue giving Mr. Young your full support, as you have given us in the past.

MR. AND MRS. J. J. DOUGLASS

Thanks FOR YOUR PATRONAGE

We are grateful for your support during our first week in operating the Canyon Steam Laundry.

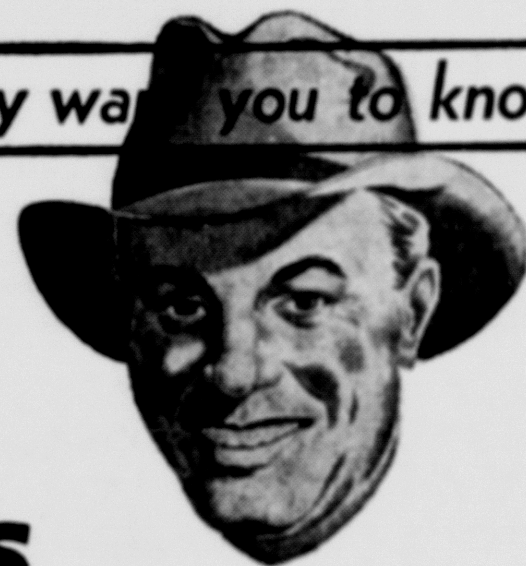

With your continued patronage we hope to build a better laundry that will give you better service in the future.

You are cordially invited to bring us your laundry.

CANYON STEAM LAUNDRY

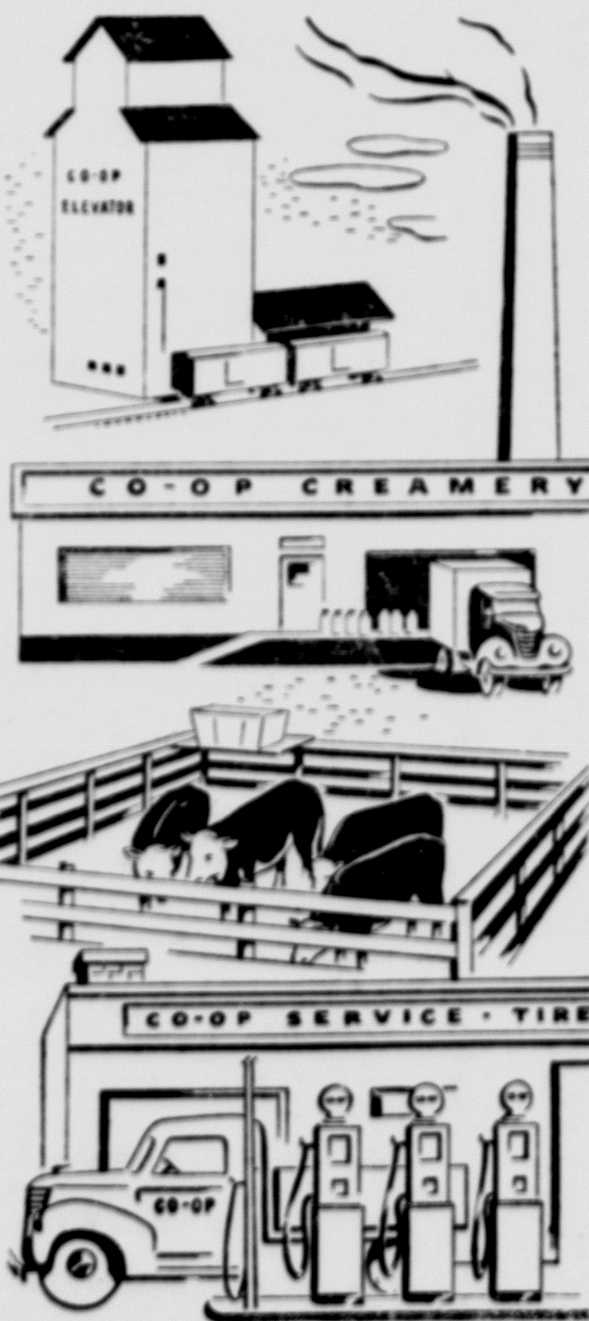

J. A. Young, Manager

Farmers are your neighbors-They want you to know that -

Cooperatives

were born of economic necessity

THREE out of every four farmers in the great Northwest belong to cooperatives.

These cooperatives are associations of farmers.

They were created for farmers' mutual benefit.

They render their farmer-owner-patrons the services they need—at cost.

The farmers take their products to their cooperatives. These products are handled at cost and sold—at a saving to the farmers. And, to complete the cycle of cooperation, farmers may purchase equipment and supplies used in operation of their farms—at a saving.

But back of the beginning and growth of every farmers' cooperative is the old story of economic necessity. Farmers had to do something.

There is a saying that necessity is the mother of invention. Dire necessity for organization and self help forced farmers into action.

For generations, farmers and their families had eked out a precarious living off their land. They never knew what their crops would bring until after harvest. Then they got the bad news.

They did know that the speculator, the commission merchant from the markets in the big cities, would be on hand to buy up as much as they could for as little as possible.

The farmers knew that what they received would be a very small portion of what consumers in the cities and towns would have to pay.

Then, on the other hand, the farmer knew that everything he had to use in operations of his farm he would pay for at the top retail rate.

The farmers were caught between the millstones. They bought high and sold low.

Your neighbors, the farmers, like to consider themselves America's foremost individualists.

But, as individuals, they found themselves unable to solve the problems common to all of them. So, the farmers consulted together. They decided to enter into a partnership to build and operate their own marketing and purchasing enterprises. They built their cooperatives.

They made all these enterprises non-profit organizations. All the savings made by working together were to be returned to them on the basis of their patronage. And, as true partners, each had a voice and a vote in all decisions.

Their neighbors, the farmers, like their co-ops. Their co-ops have helped farmers to increase their incomes. They have helped farmers to farm more efficiently. They have helped farmers to provide their wives and children with a few more of the good things of life.

Farmers are your neighbors. They want you to know about their cooperatives. They want you to understand their problems. They want the friendship and good will of all of you.

Next time you go by a farmers' co-op, stop in and get acquainted with the manager. He's one of your town neighbors. Let's pull together.

These cooperatives help build your community

News In Canyon 25 Years Ago

(Taken from the files of the
Randall County News of
March 17, 1921)

It was found that J. C. Bellah, son of Mr. and Mrs. Alfred Bellah has the unusual distinction of having all of his grandparents alive, twelve in number. They are: Mr. and Mrs. R. A. Bellah, parents of the father; Mr. and Mrs. J. M. Craig, parents of the mother. The great grandparents are: on the father's side, Mr. and Mrs. Sam Bellah of Decatur and Mr. and Mrs. J. M. Hicks of Hamlin; on the mother's side, Mr. and Mrs. W. D. Craig of Fort Worth and Mr. and Mrs. E. F. Ross of Kingston.

Lots across the street west from the Burrow lumber Co., have been bought for the new Legion Hall. Mr. Burrow, Bob Donald and R. A. Terrill are drawing plans for the new hall. Practically all of the money has been raised for the hall.

Robbers entered the Thompson Hardware store through the skylight and got away with \$900 worth of merchandise, consisting of knives, guns, ammunition and fishing tackle. There are no clues.

A son was born to Mr. and Mrs. Wes Myers Monday.

Officials from College Station are trying to induce the Commissioners Court to employ a Home Demonstration agent.

Dr. M. A. Biggers underwent an operation at an Amarillo hospital.

WT Girls Give Many Tumbling Exhibitions

Several of the girls who take tumbling have appeared in various tumbling exhibitions for the public. Some appear with the variety show and some have appeared between halves at different basketball games here.

One of the most outstanding tumbling feats occurred during the ten minute rest period of the Buffaloes and Eastern New Mexico University game. Eight girls took the back bend in line and Betty Cox walked gracefully on each girls' stomach carrying a miniature American flag. The squash pyramid diving done by Jean Boyd, Betty Starnes, Betty Cox, and Wanda Dixon was a major surprise for the audience.

These tumblers coached by Mrs. Oma Ford have given the public some grand performances.

The famed 36th Division will be returned to Texas as a National Guard unit.

Gen. Dwight D. Eisenhower was born in Denison, Texas, October 14, 1890.

Calves Thrash Sandie Champs

Saturday night, March 2, the Calves ended a victorious season by defeating the Amarillo Sandies 47 to 31. This was the thirty-second game for the calves and the twenty-seventh victory.

The first quarter was slow for both teams. Amarillo sank the first field basket, but it was quickly matched by the vengeful Calves. The score was tied once (4-4), but from then on the Calves kept the lead. Halftime score was 19-13.

Hooper fouled out the last half after managing nine points. Captain Dale Russell hit six field goals and three free tosses to take scoring honors with 15 points. McDowell of Amarillo was second highest with 13 points. Carter, freshman and first year letterman, scored 12 points to take third place honors.

Children Should Be Immunized From Diseases

"Immunization is superior to all other means of communicable disease control because immunity becomes part of oneself and is always there as a defense against certain diseases."

This is the statement of Dr. Geo. W. Cox, State Health Officer, who adds: "Immunization is the best and most effective means of protection against diphtheria, tetanus, smallpox, whooping cough and typhoid fever."

According to Dr. Cox the ages that are best for immunization of children are: for diphtheria and tetanus, 9 to 12 months; Schick test, 6 months later, re-immunize if immunity has not been established; smallpox, 6 to 12 months, re-vaccination at 6 to 12 years; whooping cough, 6 to 12 months. Tetanus or lockjaw is not common, however when it does occur it is usually fatal. The tetanus germ gets into cuts, scratches, abrasions and particularly

LOW-COST, LONG-TERM Local Money for the Business of Farming

Why deal with someone 50 or 100 miles away when you need a long-term real estate loan?

Now, through our special arrangement with The Equitable Life Assurance Society, you can obtain long-term farm loans right here at this bank.

CHECK THESE ADVANTAGES

1. Prompt, friendly, local service—No red tape—confidential.
2. 4% guaranteed 40 years—There are 14 different plans . . . tailor-made to your needs.
3. Pay any amount at any time from farm income . . . the famous Farm Income Privilege.
4. Save time and money—make the payments on your loan here at this bank.
5. No extra charges—No stock obligations. No fees and no commissions to pay . . . only the usual abstracting or title policy and recording expense.
6. Save interest on your extra payments while they are held in the Pre-payment Reserve to tide you over lean years.

NO Stock Obligations
Application Fee
Appraisal Fee
Closing Fee
Commission

You improve your credit standing by having all your loans under one roof. We can handle your personal loans, crop, livestock and equipment loans—and now, your long-term real estate loans at this bank. Ask us about this modern and complete service. No obligation.

deep wounds, so that it has always been an important problem of public health as well as military medicine.

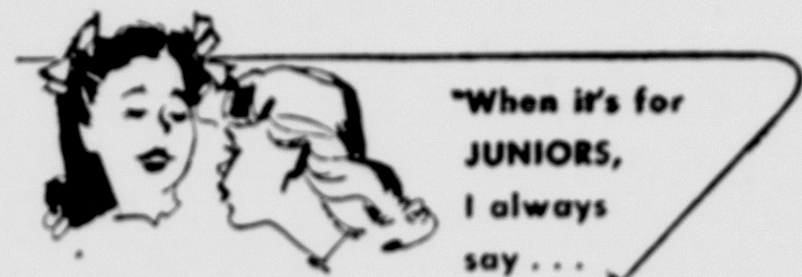

Other ways to fight disease are through good sanitation measures. The provision of safe water supplies, the pasteurization of milk, the supervision of food and other precautions have in many communities

reduced typhoid fever to a minimum. Isolation and quarantine have their place and are extremely valuable, but none of them has the quality of immunity, or being a part of oneself, and consequently always available.

Richard Harding Davis signed his writings as John Fox, Jr.

Ummm — Must Be Funny!

Serving on the "Soaring Wings" annual staff are: Anita Johnigan, assistant editor; Betty Ann Miller, editor; Ruth Prichard, art editor; Cheri Kuchriste, cartoon editor; and Geraldine Small, assistant art editor. Not pictured is Frances Gooch, business manager.

Staff Completes 1945-'46 Annual

In order to have the CHS annual "Soaring Wings" returned before the end of school, the staff sent the final copy to the publishers March 5.

Annuals will be ready for distribution about one week before school is out in the spring.

"Soaring Wings" will be dedicated to "former students of CHS who have paid the supreme sacrifice in World War II."

STAFF

Editor — Louise Dickinson

Chief Copyreader — Anita Johnigan
Exchange Editors — Cheri Kuchriste and Billie Jo Wallen
Sponsor — Mrs. Nora E. Gilmore
Reporters: Geraldine Small, Martha Jean Avent, Louise Tuck, Valeta Haines, Ruth Prichard, Joan Morton, and Guy Brant.

DID YOU GO TOO?

If you are an enthusiastic farmer or rancher, and enjoy all kinds of livestock, there was no end to the sight-seeing you did in Amarillo at the Fat Stock Show last week. Cows, horses, sheep, hogs and rabbits proved not only to be placed in the show for blue ribbons, but to the students as an educational affair.

Students wandered around in the smelly barns of the Fat Stock Show seeing the different animals of a high quality being judged, as the owner stood holding the animal with great pride, but hoping that one of the ribbons the judge had would be placed upon his animal rather than another's.

As each year rolls around the week of March 4-7 is not only an educational affair, but a festive holiday for all good cattlemen.

By Louise Tuck.

Speech I Stages Comedies Soon

"Permanent" and "Mushrooms Coming Up" are the names of the two plays which the Speech Class will present soon.

Students not participating in these plays are cast for the senior farce-comedy, "Busy As A Beaver."

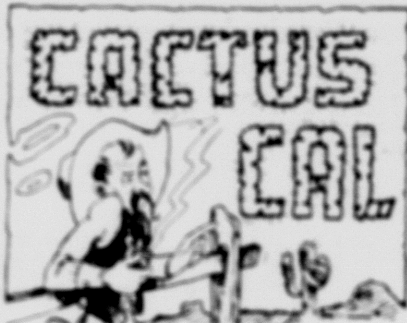

One individual play, "Color Fantasy" has been given but each member of the class must aid in directing future plays.

As a project Louise Dickinson, Cheri Kuchriste, Anita Johnigan, Norma Zachry, Jean Prater and Billie Jo Wallen are re-decorating the dressing room in the auditorium and have finished painting the walls. These girls will stain floors, wash woodwork, clean the laboratory and put mirrors, dressers, closets and better lighting in the room.

'Homerettes' Is Name Given Home Economics I Group

During the meeting held Wednesday, March 6, the homemaker I class chose "Homerettes" as the future name of their club. Officers elected were: Joan Burum, president; Juanita Avent, vice-president; Carol Smith, secretary; Faye Dickerson, treasurer; Mary Fontana, reporter; June Jennings, parliamentarian; Betty Jean Schuette, sergeant at arms; Louise Prichard, and Dorothy Young, program chairman; Sue Gillispie, social chairman; Sue Dickerson, membership; Ema Gene Zachry, welfare; and Verna Davenport, scrapbook chairman.

After the brief meeting, Betty Jean Schuette, social chairman, served refreshments and the meeting was adjourned.

Hyr! I be! Reckon as what I got lots to put over to you, I'll begin:

Well, well, what's this I been ahearing about Zonelle Gregg and Harold Jay Prichard seen talking in the halls? Now I wonder what it is that they talk about, huh?

Why doesn't someone tell me these things. How am I supposed to know that Pauline Seales likes Lee Bailey if somebody don't tell me?

Benny Pyeatt an Ema Zachry were seen "having the bestest time" in the show the other night. Now whatta' you know about that?

From what I hear Marvin Fite must have a crush on Nancy Ann Nicklaus. Anyway, I just happen to know that he took her to WT's junior play and they also had a date last Saturday night. Hope you had fun, kids!

What's this I hear about some sophomore girl wanting to go with that black-haired (and we hope it stays that way) junior, C. L. Hood? I think it's about time he took a hint, don't you, M. W.?

Louise Tuck has found a new beau, or at least that's the way things look. She's been going with Lois Knox from Happy for some time. Also I heard that Wilma Schuette likes Lois's brother.

Say, Joan Burum is doing Okay in CHS. Anyway, she seemed to be enjoying the ball game Friday night. Could it possibly be because she was with "Rusty" Davis?

Guy Brant finally got up nerve enough to ask his "Dream Girl" Frances Standley for a date. They really enjoyed the Band Concert Saturday night (or so I heard). But Guy, what happened to Sue Ann?

I got it straight from a reliable source that Charles Wright and Mary Elizabeth Jennings were supposed to have a date to the ball game Friday night, but it seems that Mary Elizabeth couldn't go. That's too bad, but better luck, next time!

This McDougall-Winn romance is still on. They were seen (by me, of course) having a very, very good time, Thursday night at the show.

Well, that's all the gossip I have right now, but come back again next week and I'll probably have plenty more!

Seales Will Lead Homemakers Club

In order to elect officers for next six weeks, the Annus Secundo Domi Pactum Club met March 6. The officers elected are as follows: Pauline Seales, president; Odessa Spriggs, vice-president; Ruth Lill, secretary; Betty Jane Hales, treasurer; Joyce Carter, reporter; Earline Davis, parliamentarian; Billie Bonds, sergeant at arms; Thelma Bonds, program chairman; Freda Menke, social chairman; Alice Pierce, song leader and Laverne Hinders, pianist. Committee Chairmen are: Mary Ann Parker, welfare; Muriel Pate Cope, membership; and Colleen Prichard, scrapbook.

Ruth Lill gave a report on "Introducing P. H. A." followed by "Personalities in Texas" given by Freda Menke.

So that the students would better understand "Espanol" words, Juan Hernandez read a Spanish story to Mrs. L. M. Cousins' fourth grade.

Mrs. G. L. Davis, mother of Lonnie Davis of Mrs. L. M. Cousins' room, visited in Lonnie's classes one day last week.

Due to illness, Nancy Bolton was out of Mrs. L. M. Cousins' fourth grade three days last week.

All students in the fourth grade have just finished their six-weeks tests.

Mrs. L. M. Cousins is boasting about the new world globe that has been placed in her room, which is very nice.

With the prize, given them by the P. T. A., the fourth grade has obtained a new book entitled, "Fricka, Rika and Dicka, and a Little Dog" by Mae Lindman.

All youngsters in Mrs. T. W. Collins' first grade have been participating in free hand drawing. Some of these students show extraordinary talent.

Mrs. Audrey Jones is very proud of her fifth grade group. It seems that seven of her boys, in order to close their unit on the Chinese, gave a Chinese playlet. James Thomas directed this production.

In the third grade, taught by Mrs. A. K. Goodman, the students are reading Dutch stories, studying Dutch customs and adorning the room with Dutch art.

That is all from the youngsters until next week.

Rotary Club Sponsors Four Lecture Series

Speaking on the subject, International Relations with Turkey, was Chester M. Tobin from Chicago, Illinois, March 11, at 2:30 p. m. in the auditorium of the Training School and at 8:00 p. m. in the college auditorium.

This was the last lecture given and sponsored by the Canyon Rotary Club for the benefit of all who wished to attend. The Training School and CHS alternated on Monday afternoons in having the lecturer, and each school was the guest of the other.

Morris H. Coers from Indianapolis, Indiana, spoke on Making International Organizations Effective, February 18. On February 25, Geoffrey F. Morgan from Santa Monica, California, presented the lecture, The Construction and Use of the

By Valeta Haines

One of the greatest events during the noon hour now is the boys' basketball intramurals which are to end this week.

Events up to the present are as follows: starting the ball rolling were the eighth graders when they defeated the juniors 19-7, Tuesday the sophomores won over the seventh graders 34-4. The freshmen overpowered the seniors 29-0, Thursday the eighth grade became victorious again, this time over the sophomores 17-12. Seniors outscored the seventh grade by the small margin of 13-12 last Friday.

There were no games Monday or Tuesday, but the freshmen won over the eighth graders 19-10, Wednesday. A two man game between the juniors and seniors highlighted Thursday with the juniors pulling out to a 24-19 victory in a few minutes of overtime.

Girls' basketball intramurals will start as soon as the boys' intramurals end. Captains of the girls' teams are as follows: eighth grade, Bobby Jean Ford; freshmen, Janey Forrester; sophomores, Billie Bonds; juniors, Mary Ann Parker and Frances Gooch; and seniors, Louise Dickinson.

Yesterday, March 13, the Canyon High School Eaglettes played the Amarillo High School girls in volleyball in the Grade School gymnasium. How was the game, girls?

March 30 is the great day when the Interscholastic District Track Meet is held at Buffalo Stadium. Track training under the direction of Coach R. D. Wheelock started Tuesday, March 5 with the following athletes coming out: Billy Abbott, Charles Wright, Easton Wall, Clifford Burtz, Wayne Davis, Wilbert Long, James Guthrie, Austell Burrus, Meade Michael, Dick Barrett, Lee Bailey, Malcolm Gunter, Gerald McDuff, Wayne Prichard, and Bobby King. Good luck, boys!

Lettermen of the past basketball season were: Billy Abbott and Charles Wright, co-captains, Richard Walters, M. E. Rhodes, Austell Burrus, Wilbert Long, Marvin Fite, Wendon Lindsey, Easton Wall, James Guthrie and Bill Davis, business manager.

Marvin Fite and Bill Davis will enter the tennis doubles in the Interscholastic Track Meet.

Legend Produces St. Patrick's Day

Yes, that is the story of St. Patrick's Day as it was told to me.

You mean you want me to tell it again? Well, listen carefully. See, it was like this. . . .

On March 17, many centuries ago, the Irish people commemorated their great national Saint. This great old man died at Saul, later known to the people as the city of Sabhal.

Was he married, did he have any fun? Please tell us.

If only you would quit interrupting, I would finish. Now listen or go to sleep! This patron was a saint of Ireland and we have honored the anniversary of his death, March 17, 493, in which we have celebrated since very early times.

Please, Gramp, tell us something interesting about him,—aww, quit hitting me!

Now this is betting beyond me. Get to bed and we'll finish this later. Come, go to sleep.

Try just once more and we promise with all our hearts to be good. O. K. if you'll be quiet, but this is the last try.

At a very old age, St. Patrick was buried at the chieftains dun or fort, two miles outside of this town, that he loved so dearly.

From all records, it is recorded that bishops, priests, and people gathered to honor the venerable person of their fate.

Yes, that's right, and for over fourteen centuries this same spirit of reverence to the memory of St. Patrick is survived in the hearts of Irish men and women in every part of the world.

That is the story Kids, now you may go to sleep and rest assured.

Air Transport. International Security in the Pacific was the subject brought to us by W. Leon Godshall from Bethlehem, Pennsylvania, March 4.

Practically all the students of both high school bodies attended the lectures, and many participated in the question period.

English Class Finds Far Off Pen Pals

Several students of Mrs. Ball's seventh grade are corresponding with girls and boys in different states.

Don Johnson is writing to a boy in Sioux City, Iowa. They have exchanged many post card picture scenes along with several samples of different types of grain.

Kathryn Furlow corresponds with a girl in La Grange, Georgia who often has told Kathryn about the schools in La Grange. She has said that there was one public school, one college and three ward schools.

From Livingston, Montana, two correspondents write to Walton Byrd about the climate of that country. Also one has told of his visits to Yellowstone Park, which is only fifty-five miles from where he lives.

Iva Jo Wallen has a pen pal in Buena Vista, Colorado, who often writes of the sports and many interesting things in that state. She has told of hot springs near her home which has had a swimming pool built over it, therefore keeping the water always warm, allowing swimming to be possible in both summer and winter.

Corresponding with Barbara McDougall is a girl from Pittsfield, Maine. Maine industries has been the subject in which the girl has written about the most.

Replacing Mr. T. J. Cole as instructor of the American Literature class is Mrs. C. L. Merchant, teacher of English I and II and speech.

\$64 Question
How Do Your
Shoes Look?

Here's a question worth answering and news worth broadcasting! You can have your old shoes made new at a very reasonable cost. Bring them in today.

We will get them out in short time.

WORTH'S
SHOE SHOP

Rising in CHS is the traditional, democratic election for pin-up girl and boy, having the 1945-'46 election Thursday, March 7, the students had a fair vote by secret ballot.

That "cute," always smiling, Polly (Dimples) Ruthart, a senior who efficiently goes about doing her duties, is the pin-up girl of the year. She is 5'7" in height and weighs 137, has chestnut brown hair, big brown eyes and her ambition is to be a stenographer.

Her favorite actress is Esther (hubba hubba) Williams, while Dennis Morgan can send her out of this world. She dotes on chocolate pie and drools over cherry limes. The pleasing personality and sweet disposition have made her popular with students and teachers alike.

Runners up for pin-up girl were Janey Forester and Geraldine Small. Ray McDonald, a cheerful, good-looking, and unassuming senior is pin-up boy. He is a blonde hunk of 161 lbs., 5' 11" in height and sparkling blue eyes. Fried chicken tops his list of food, and he's wild about strawberry malts.

Ray's vitality and personality are never lacking and his willingness to accept responsibility has made him a very commendable fellow student. That delightful, delectable, Betty Hutton is his favorite actress and he is an admirer of Gary Cooper. Runners up for the pin-up boy were James Rigby and Charles Wright.

These pin-up pictures may be glued to your mirror, tacked on the wall, hung on door knobs, placed under your pillow and put in your billfolds. Now all you have to do is get a picture.

claimed "Why Frances you have a gray hair!" It was really just a black hair with a touch of white in it.

One excuse for absence contained this clause, "Please excuse my son, he had the sour throat," and one rule for forming plurals of nouns read like this "Some nouns form their plurals by an inflexional change."

a six point margin 50 to 44. West Texas State played one of its biggest games of the season when it met the Southwestern University Pirates from Georgetown. It was an important game because the winner is invited to a National Tournament, the NAIB event at Kansas City, March 11-16.

Friday night's game was really a thriller but the local boys were not putting out just like they have in some of the games this season. Southwestern took an early lead by sinking 2 points on their first shot of the night. West Texas took the tip-off at the beginning of the game, made a speedy rally to the basket, shot and missed. The Pirates, who played a good backboard game all night, quickly took the ball in hand and broke down court to score the first two points in the game.

J. W. Malone led the Buffaloes in their victory but was not high point man with his 16 points. Hank Decker took the scoring honors with 17 points, only 1 point more than the All-American Malone. Jay played a brilliant game of basketball in unusual dribbling and shooting work. Last Friday night was the first time many fans had seen anyone take the ball away from the ace but only one time did it happen. Malone put on a regular show the remainder of the time with his unique steal plays.

The Buffaloes never made an outstanding lead on the Pirates during the game but one time did manage to forge out in front by some nine points. Just before the end of the game the scoreboard read 48 to 44 with West Texas leading. With only 45 seconds left in the final quarter, Southwestern took the ball down court for a shot but failed to score. The local quintet took the rebound and with Malone dribbling down court about halfway with only 2 or 3 seconds left, shot from the halfway stripe and sank the last field goal. This spectacular play was just the thing to top off an exciting game where anything could and did happen.

Southwestern lost only one conference game in advancing to the Texas circuit championship and

had been beaten only twice all season, against a dozen victories. The Pirates were defeated by Abilene Christian College in Conference play. The Buffs had previously beaten Abilene Christian College. The other setback was by the Houston Cougars, Lone Star pennant-winners, who won by two points. The Pirates were a point better than the Cougars in a second game. Houston University took the best luck of the day when they drew a bye and thereby qualified for the NAIB without needing to go into the playoff with West Texas State and Southwestern.

The Pirates are coached by R. M. Medley who has had the assignment for seven years and took his first championship this year. The Georgetown team stopped a phenomenal winning streak for Texas Wesleyan College, which had been unbeaten in 60 consecutive games, conference games at that.

The Buffaloes left Sunday for Kansas City, where they will enter the national tournament along with 32 other top teams of the nation. The Buffs will play their first game Tuesday afternoon.

Let's Tackle Inflation While We Can

You don't want your dollars to buy less and less and less!

You don't want your savings to melt away! Or the value of your life insurance to dwindle!

Yet that is what inflation can do to all of us. Therefore, thoughtful people everywhere are concerned with ways to smother it before it gets out of hand.

One major cause of inflation is a shortage of goods when people have money to spend for things they want.

That cause can be eliminated by the production of goods - fast - in quantity.

BUT THERE'S A BOTTLENECK

During the war there wasn't enough labor and materials to meet the needs of war and still produce all the civilian goods people wanted and could buy.

Therefore price controls on civilian goods were substituted for competition to keep prices down.

Today this country has all the labor and materials necessary to turn out the things people want.

Yet goods are still scarce. Store shelves are still bare. The national pocketbook continues to bulge. Inflation grows.

Why? Because price controls in peacetime hinder the production of goods. Business cannot live by producing at a loss. And so, goods that can't be made to sell at the prices fixed by the government just don't get made.

Nor will the raising of price ceilings solve the problem. When costs and selling prices are subject to change at any moment by government action, production has to be on a day-to-day basis.

That means uncertainty . . . reduced output . . . more inflation.

ISN'T THIS THE ANSWER?

Remove price controls on manufactured goods and production will step up fast.

Goods will then pour into the market and, within a reasonable time, prices will adjust themselves naturally - as they always have - in line with the real worth of things.

Competition has never failed to produce this result.

This is the way you can get the goods you want at prices you can afford to pay.

Please think this over. Then tell your representatives in Congress what you believe should be done. You owe it to yourself . . . and to your country's welfare.

LET'S SMOTHER INFLATION...A postcard addressed to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of a booklet explaining in detail why price controls cause inflation.

NATIONAL ASSOCIATION OF MANUFACTURERS

★ For a Better Tomorrow for Everybody ★

YOU'LL BREEZE THROUGH
Meal Preparation
IN YOUR
NEW FREEDOM GAS KITCHEN

Every step of buying, storing and fixing food will be easier . . . with a wonderful new GAS refrigerator. It's the efficient, "silent servant" that no New Freedom GAS Kitchen can do without! Here's why!

It's convenient! Open the door and you can put your finger on any food you want—instantly! For a new GAS refrigerator has sliding shelves and modern arrangements throughout. No fuss or fumbling, ever!

It's worry-free! No moving parts to get noisy and wear out! A tiny, economical GAS flame keeps your silent GAS refrigerator filled with constant, healthful cold . . . year after trouble-free year!

It's spacious! More room for everything . . . and everything kept fresh longer! There's even a special storage space for frozen foods . . . and a place just made for whipping up home-made ice cream and frozen desserts. All designed to save you dozens of marketing trips!

Don't forget . . . there are two other important work-savers essential to every New Freedom GAS Kitchen. The ultra-modern automatically controlled GAS range (built to CP standards, of course) . . . and the new automatic GAS water heater—the best way to get oceans of hot water, economically and effortlessly.

Mrs. C. M. Rogers was taken to Nebbett Hospital in an Ambulance Tuesday. Saturday morning she was given a blood transfusion by her daughter, Mrs. L. H. Barnard and was resting at the last report.

Miss Erma Mae Sutton formerly of the WACs, who received her discharge some time ago and has been working in Houston, is visiting in the parental Chas. Sutton home.

Mrs. G. E. Wesley underwent a tonsillectomy by Dr. Jarrett in the Nebbett Hospital last Tuesday and was able to come home Friday.

Mary Edna Wise and Evelyn Schaeffer visited with Laverne Amerson and Payrene Schaeffer in Plainview Saturday night.

Mr. and Mrs. Jack Sutton and daughter are at home on the Earl Byrd place.

Mr. and Mrs. L. D. Whitson and son and Arlen Ray Wesley of Littlefield visited Saturday night and Sunday in the parental J. W. Wesley home.

H. H. Shipman has been suffering with an eye that was injured when a piece of cotton pin hit it.

Those enjoying a picnic in the Canyons Sunday were Vesta, Lavonia, Erdine, Coy Jean and Donell Amerson, Uel Wise, Charles and Ervine Wilson, Troy Wayne Sharpes and Marvin Sluder.

Mrs. F. F. Sharpes is confined to her bed with high blood pressure.

Mr. and Mrs. Lightfoot and son attended singing in Amarillo Sunday. The Rev. Charles Cook from Amarillo will bring singers and sing for us Friday evening. Everyone is invited to hear these singers.

The demonstration club will meet Friday afternoon with Mrs. John Patterson.

Born to Mr. and Mrs. C. V. Morris, a son, March 3, in the Nebbett Hospital. Mrs. Morris will be remembered as Marie Wesley.

Mr. and Mrs. K. S. Head are reunited after his having been in Belgium for 15 months. Mr. Head was met by a young son that he had never seen. Mrs. Head will be remembered as Kathlene Fulk.

We really hate to see our country homes go to town. There have been moved out in the last 2 weeks.
